About Company

Pune Angels Network is a dynamic platform that brings together visionary entrepreneurs and experienced investors to fuel the next generation of innovative startups.

Our mission is to empower early stage businesses by providing them with access to capital, mentorship, and a robust support system. By fostering connections between startups and high-net-worth individuals, angel investors, and industry experts, we aim to create a thriving ecosystem that accelerates business growth.

With a strong focus on fostering collaboration, our members benefit from exclusive deal flow, expert insights, and networking opportunities. We invite you to join our community and be a part of a transformative journey that shapes the future of entrepreneurship.

About Event

Pune Angels Network is pleased to announce the next edition of Startup Fusion – our flagship networking initiative designed to bring together the most dynamic elements of the early-stage startup ecosystem.

This high-impact event serves as a convergence point for startups, investors, ecosystem enablers, and startup service providers, offering a curated platform for meaningful connections, strategic collaborations, and market visibility.

Following the success of our past **1 Startup Fusion** and **3 Startup Mixer** events – this upcoming edition aims to further elevate the conversation and catalyze investment-ready partnerships. The focus is on enabling structured dialogues, brand visibility, and investor-startup match-making in a vibrant yet curated setting.
