Leading with Vision. Scaling with Purpose.

Sanghvi Movers Limited (SML), the world's fifth-largest crane rental Company and the largest in India and Asia, continues to chart a bold growth trajectory with a sharp vision and a purposeful approach. Anchored in customer centricity, a people-first culture, and operational excellence, we are strengthening our leadership by staying ahead of sectoral shifts, aligning with national infrastructure priorities, and investing in advanced technology and fleet upgradation.

Every project we undertake strengthens the foundation of progress for our clients, our communities, and our nation.

Our disciplined approach to growth is reflected in the strategic expansion of fleet strength, enhancing renewable wind energy EPC capabilities, and international expansion, while embedding sustainability, governance, and financial prudence at the core of our strategy. This balanced framework ensures that every initiative not only creates value for clients and shareholders but also contributes meaningfully to nation-building.

Prudent capital allocation, backed by core lifting expertise and deep renewable sector experience, positions us for the next level of growth.

By leading with vision and scaling with purpose, we are committed to delivering reliable outcomes, building enduring partnerships, and creating sustainable long-term value for all stakeholders.

**Our vision drives us forward.
Our purpose keeps us grounded. Our people make it possible.**

Charting a new course

Sanghvi Movers Limited (SML) is Asia's largest and the world's fifth-largest crane rental Company, recognised for its scale, reliability, and technical expertise.

Our diversified fleet of over 370 heavy-duty telescopic and crawler cranes, ranging from 40 MT to 1,600 MT, supports operations at over 130 job sites across India. These cranes are deployed in critical sectors such as thermal and nuclear power, steel, cement, fertilisers, petrochemicals & hydrocarbons, metros, railways, bridges, ports, and renewable wind energy.

To ensure the seamless movement of equipment, SML operates over 95 high-bed trailers and 128 hydraulic axle lines, providing robust logistics support for large-scale projects. Our pan-India footprint, with depots across more than 10 states, ensures nationwide reach and service continuity, enabling us to deliver reliable outcomes to clients across diverse geographies.

Milestones

Growing from strength to strength

1989

Incorporated on 3rd November 1989 by Late Mr. Chandrakant P. Sanghvi, Ex-Chairman & Founder, headquartered in Pune.

1995

Launched IPO and listed on BSE and NSE.

1998

Secured first mega order for the world's largest single refinery complex.

2007

Recognised as the fastest-growing equipment rental Company in the global construction industry (Dec 2007 & Dec 2008).

2021

- Bulk purchases of crane fleet; surpassed 50 crawler cranes for wind projects (hub heights > 120m)
- Established EPC – Wind & EPC Project Business Unit
- Started EPC – Wind & EPC Project Business Unit

2015

Certified under ISO 45001:2018, ISO 9001:2015, and ISO 14001:2015.

2014

Earned ISO accreditation.

2009

Ranked 9th largest global crane-owning Company by ICST Magazine.

2023

- Ranked 6th largest crane rental Company worldwide (International Cranes IC Index, June 2023)
- Expanded to 1,500+ personnel, 400+ cranes, and 18 warehouses serving 11 sectors

2024

Procured 1,600 MT crawler cranes to strengthen fleet capabilities.

2025

- Ranked 5th largest crane rental Company worldwide (IC Index 2025), and largest in India and Asia
- Expanded to 2,000+ personnel, 370+ cranes, and 15 depots serving 10+ sectors
- Incorporated Sangreen Future Renewables Pvt. Ltd., Sangreen Logistics Pvt. Ltd., and Sanghvi Movers Middle East Ltd. (KSA) as 100% subsidiaries

Offerings

Tailored solutions for specialised needs

Sanghvi Movers Limited (SML) provides specialised crane rental solutions designed to address the complex lifting requirements of industries such as thermal and nuclear power, steel, cement, petrochemicals & hydrocarbons, fertilisers, wind energy, and infrastructure. With its robust fleet and client-centric approach, SML ensures solutions that are safe, reliable, and cost-effective, while adapting to the evolving needs of diverse sectors.

Rental equipment

SML offers end-to-end crane rental and heavy lifting solutions—from planning and engineering design to execution. This integrated approach has been pivotal in:

- Building long-standing partnerships with leading clients
- Delivering consistent value across multiple industries
- Ensuring timely, safe, and high-quality project outcomes

Scope of the offering

- Crawler and hydraulic crane rental services
- Specialised equipment for complex lifting requirements
- Turnkey lifting engineering and lift planning services
- Heavy lifting for industrial plants and refinery installations
- Oversized cargo handling
- Safety compliance in line with global standards
- Skilled operators, rigging crews, and technical support
- Integrated lifting solutions supporting infrastructure development

Renewable services

Sangreen Future Renewables (SFRL), a wholly owned subsidiary of Sanghvi Movers Ltd., was incorporated in 2024 to deliver fully integrated turnkey solutions for wind and solar projects. The Company manages the complete project lifecycle — from conceptualisation to commissioning — including design, engineering and procurement, construction, and commissioning. As a single window of accountability, SFRL ensures seamless execution and timely delivery of operational renewable energy assets.

By consolidating all phases of development under one entity, SFRL enhances efficiency, minimises project risks, and provides clients with a streamlined execution model. Its strong execution and project management capabilities, backed by ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, and GWO certifications, reinforce its commitment to global standards of safety, quality, and sustainability.

Scope of the offering

- Project management and engineering solutions
- Wind resource assessment (WRA)
- Site identification and legal due diligence (land procurement, alienation, surveys)
- Permits and regulatory approvals
- Civil works: Internal roads, foundation casting, and zero-point (storage) yards
- Mechanical package: Interacting, erection, and installation (TCI)
- Electrical package: 33 kV lines, USS, PSS
- Commissioning and testing

Logistics

Sangreen Logistics Private Limited (SLPL), a wholly owned subsidiary of Sanghvi Movers Limited, was incorporated in 2024, building on SML's legacy of providing specialised heavy equipment transportation solutions since 1996. With over 25 years of operational expertise, it has developed robust capabilities in moving complex, oversized, and high-value equipment across complex routes.

The Company offers a comprehensive logistics cycle—from planning and route optimisation to secure loading and delivery—ensuring safe, timely, and reliable execution. Leveraging its deep expertise in heavy equipment handling, SLPL supports projects across infrastructure, energy, and industrial sectors, ensuring critical machinery and WTG components reaches sites in optimal operating condition.

Scope of the offering

- Multimodal logistics solutions (air, sea, and road freight) for heavy machinery and cranes
- Tailored logistics services for oversized and project cargo
- Real-time shipment tracking and monitoring for visibility and control
- Specialised heavy-lift cargo handling for infrastructure and energy projects
- Surface logistics: Movement of WTG components from OEM factories to the Zero Point of wind farms
- Intra-windfarm logistics: Movement of WTG components from Zero Point to respective turbine locations

Major industries served

Steel and industrial

Specialised fleet of cranes designed for demanding steel-related tasks. Solutions cover installation and maintenance of blast furnaces, converters, and rolling mills, improve loading/unloading and stockyard administration, and facilitate the movement of steel products.

Infrastructure

Provides heavy-duty cranes and turnkey lifting solutions for bridges, ROBs, metro rail, highways, and modular installations. Ensures safe, timely, and reliable execution, backed by ISO-certified systems and a nationwide presence.

Refineries and petrochemicals

Delivers customised all-terrain and rough-terrain cranes for complex and demanding operating environments in refineries and petrochemical plants.

Power

Supplies a diverse range of cranes to meet the stringent requirements of electricity generation and power projects across thermal, nuclear, and renewable energy installations.

Renewable wind energy

Offers cranes and specialised services tailored for wind projects, including site planning, equipment selection, logistics management, and full project planning and support.

Cement

Provides customised cranes for heavy lifting during installation and maintenance of cement manufacturing equipment such as mills, silos, crushers, and kilns.

Offerings

Impactful solutions across sectors

Steel manufacturing (Boiler/Furnace erection)

Key challenges

- Access constraints in congested zones
- Erection of massive boiler and furnace parts
- Live site risks

SML's solution

- 400–1,600 MT crawler cranes deployed
- 3D lift simulation and congestion-aware planning
- Plant safety and continuity ensured

Impact achieved

- Seamless integration with running operations
- On-time delivery
- Safe, controlled lifting in high-risk areas

Cement plant construction and expansion

Key challenges

- Lifting prefabricated units in confined areas with crane operations beyond sight
- Long reach boom configuration prone to gusty and cyclonic wind

SML's solution

- Customised crane configurations with advanced lift engineering
- Global QHSE standards monitoring and weather-based planning
- Stability ensured via ground consolidation measures

Impact achieved

- Optimised lift performance by reducing additional number of lifts
- Reduced manual handling
- Smooth, on-schedule commissioning

Power plant and boiler erection

Key challenges

- Limited manoeuvring space and challenging ground conditions
- Lifting massive W beams, girders and silencer roof structures
- Concurrent site activities increasing safety risks

SML's solution

- Detailed feasibility studies for load, reach and ground conditions
- Deployment of high-capacity crawler cranes with luffing booms by evaluating space availability and required ground conditioning
- Rigging minimised during construction to fast-track schedules

Impact achieved

- Safe, streamlined operations
- Faster erection cycles
- Zero disruption to concurrent site activities

Refineries, oil & gas construction and expansion

Key challenges

- Sensitive and high-risk operating zones
- Lift planning and execution in confined space
- Compliance with global EHS standards

SML's solution

- Engineered lifting studies and zone-specific rigging plans
- Customised safety solutions with global QHSE Standards and trained teams
- Use of optimum cranes for precise positioning

Impact achieved

- Zero incidents, full safety compliance
- Downtime reduction
- Precision execution in confined hazardous zones

Infrastructure – bridges and roadways

Key challenges

- Safety compliance during night/traffic blocks
- Rapid lift, placement and removal cycles
- Government coordination for clearances

SML's solution

- Use of rapidly deployable cranes
- Modular lift planning with minimal onsite rigging
- Round-the-clock execution teams

Impact achieved

- Minimal public disruption
- Fast, accurate execution
- Regulatory and safety compliance met fully

Sports stadium erection

Key challenges

- Selecting and configuring the right cranes for varied and complex structural lifts
- Managing severe space constraints with multiple contractors and equipment operating simultaneously
- Mitigating elevated risks to personnel and equipment due to overlapping and high-density site activities

SML's solution

- Conducted advanced lift engineering studies and rigging optimisation to minimise obstructions and maximise operational safety
- Deployed high-capacity cranes with precision control systems, enabling millimetre-level accuracy in the erection of stadium components
- Implemented stringent QHSE protocols tailored to confined, high-risk work zones
- Executed planned mobilisation and demobilisation of cranes to ensure adherence to tight project timelines
- Maintained compliance with global ISO standards and client-specific safety benchmarks

Impact achieved

- Stadium project completed within stipulated timeframes, despite complex site dynamics
- Achieved zero incidents and 100% adherence to safety standards
- Delivered 100% crane uptime, ensuring uninterrupted execution with no mechanical failures
- Enhanced client confidence through safe, reliable, and on-schedule delivery of a high-visibility project

Metro infrastructure projects

Key challenges

- Simultaneous deployment of multiple cranes in confined and dynamic urban environments
- Strict enforcement of crane age and technology regulations by government authorities
- Executing lifts without disrupting routine vehicular and pedestrian movement in congested city zones
- Performing critical lifting tasks, including unloading and assembly of Tunnel Boring Machines (TBMs)

SML's solution

- Mobilised a fleet of advanced crawler and mobile cranes equipped with high-precision lifting and safety systems
- Delivered end-to-end EPC logistics solutions, including last-mile delivery and on-site erection of TBM segments, girders, and viaducts
- Applied lift engineering techniques to enable synchronised, interference-free multi-crane operations
- Deployed specialised TBM assembly teams with remote monitoring capability for enhanced safety and control
- Adopted predictive maintenance and advanced telemetry to ensure uninterrupted equipment performance

Impact achieved

- Zero downtime of deployed equipment, ensuring uninterrupted progress on critical lifts
- Successful and timely execution of complex operations, including TBM assembly
- Maintained full regulatory compliance with age and safety norms
- Achieved minimal traffic and civic disruption despite working in densely populated metro corridors
- Strengthened SML's credentials as a partner of choice for large-scale urban infrastructure projects

Operating environment

Adapting to an evolving landscape

SML operates in a dynamic environment shaped by regulatory developments, shifting demand patterns, and technological disruption. By staying abreast of these changes and capitalising on emerging opportunities, the Company remains agile and well-positioned to sustain its competitive edge.

Macroeconomic outlook

India's economy continues to demonstrate resilience despite global headwinds. Geopolitical tensions and trade disruptions persist, but domestic demand remains strong. The Reserve Bank of India projects real GDP growth at 6.5% for FY 2025-26, consistent with the forecast for FY 2024-25. Recent upward revisions, including a 9.2% growth rate in FY 2024-25,, reflect the underlying strength of the economy and its long-term momentum.

Construction

- Valued at USD 1.04 Trillion in 2024, projected to more than double to USD 2.13 Trillion by 2030 (12.1% CAGR)
- Key drivers: National Infrastructure Pipeline, mega projects, sustainable and smart development
- Challenges: Regulatory bottlenecks, project delays, cost escalation
- Opportunities: Faster adoption of BIM, AI, and IoT to enhance precision and efficiency

USD 2.13 Trillion

Projected market size of the Indian construction industry by 2030

Power

- Installed capacity of 466.24 GW (Jan 2025)
- Rising demand expected to push per capita electricity consumption to 1,824 TWh by FY 2026-27
- Sector faces 7.5% supply deficit, requiring capacity expansion and efficiency gains

466.24 GW

Installed power capacity in January 2025

Renewable energy

- Capacity reached 220.10 GW as of March 2025 with a record addition of 29.52 GW
- Target: 500 GW by 2030, medium-term goal of 250 GW by 2026
- Commitment: Reduce carbon intensity by 45%, achieve 50% renewables by 2030, and Net Zero by 2070
- Growing investments in nuclear and rooftop solar under Union Budget FY 2025-26

220.10 GW

Installed renewable energy capacity in March 2025

Wind energy

- Installed base expected to rise from 58 GW in 2025 to 150 GW by 2030 (20.93% CAGR)
- Growth driven by policy push, corporate PPAs, hybrid wind-solar auctions, offshore wind viability-gap funding
- Strong domestic manufacturing and green hydrogen demand reinforce long-term opportunities
- India aims to meet 10% of global wind demand by 2030

150 GW

Installed base capacity by 2030

Operating environment

Infrastructure

- Union Budget FY 2025-26 allocation of INR 11.21 Lakh Crores (USD 128.64 Billion), 3.1% of GDP
- Second Asset Monetisation Plan targeting INR 10 Lakh Crores reinvestment
- Growing FDI inflows, with Japan pledging JPY 5 Trillion (USD 42 Billion) by 2027

INR 11.21 Lakh Crores
Budgetary allocation for the infrastructure segment in the Union Budget 2025-26

Oil & gas

- Refining capacity of 256.8 MMTPA, targeted to double to 450–500 MMTPA by 2030
- Third-largest oil consumer, demand projected at 11 million barrels/day by 2045
- LNG infrastructure expanding, with import capacity to reach 50 MTPA by 2028

11 million barrels/day
Projected oil demand in India by 2045

Cement

- Second-largest global producer, with 374.55 MTPA production and 600 MTPA installed capacity in FY 2024-25
- Demand projected to 450.78 MTPA by FY 2026-27
- Highly consolidated sector: top 5 players hold 48% of installed capacity

600 MTPA
Installed capacity of cement in FY 2024-25

Steel

- Second-largest crude steel producer, with 151.97 MTPA production and 198.5 MTPA installed capacity in FY 2024-25
- Target capacity: 300 MTPA by 2030-31 under National Steel Policy
- Per capita consumption rose from 57.6 kg to 74.1 kg in five years; rural consumption to nearly double by 2030

198.5 MTPA
Crude steel production capacity by FY 2024-25

Chief Executive Officer's message

This was a historical year, as we recorded a total income of INR 823 Crores, registering a robust 27% YoY growth. Net profit after tax stood at INR 157 Crores, moderating from INR 188 Crores reported last year, due to numerous reasons.

Lifting aspirations, driving transformation

Dear Stakeholders,

It gives me immense pleasure and a deep sense of gratitude to join Sanghvi Movers Limited as your Chief Executive Officer and to address you for the very first time. FY 2024-25 was a landmark year in many respects, and I am pleased to share with you the highlights of our performance, along with our vision for the future.

Performance review

In FY 2024-25, we recorded the highest overall revenue which was primarily driven by our renewable wind business. Our overall profitability was impacted, compared to the previous fiscal year, as the crane rental business experienced temporary contraction due to the Indian General Elections, prolonged monsoons, and softer market demand. The EBITDA margin faced downward pressure and lower profitability due to temporary competition intensity and customer fragmentation.

This was a historical year, as we recorded a total income of INR 823 Crores, registering a robust 27% YoY growth. Net Profit After Tax stood at INR 157 Crores, moderating from INR 188 Crores reported last year, due to numerous reasons. Our EBITDA came in at INR 371 Crores, accounting for 45% of our total income, down from 63% last year. Capacity utilisation averaged 73%, declining from 84% in FY 2023-24, while average blended yield remained resilient at 2.05% per month, marginally less than 2.20% last year.

We continued to invest in scale and capacity building, with a CAPEX of INR 235 Crores, including INR 203 Crores for 46 new cranes and INR 33 Crores for other fixed assets like boom inserts and other crane accessories. During the year, we also monetised 30 cranes, generating a profit of INR 13.05 Crores. As of 31st March 2025, our fleet comprised 370 cranes, with 290 cranes above 100 MTPA and 80 cranes below 100 MTPA. The cumulative lifting capacity of our fleet has increased to 91,693 MTPA.

Our order book grew from INR 426 Crores at the start of the year to INR 600 Crores as of 15th April 2025, showing ample headroom for further growth.

INR 823 Cr
Total income

INR 235 Cr
Capex

With a net worth of INR 1,142 Crores and net borrowings of INR 376 Crores, our net debt-to-equity ratio remains healthy at 0.33:1, indicating a healthy and balanced capital structure.

While the decline in profitability was not in line with our ambitions, we are addressing most of these challenges head-on, confident that they will ease in the upcoming fiscal years. Our focus remains on de-risking our business, executing a robust strategy to drive our three distinct business segments and retaining our leadership in the crane industry through ongoing investments and capacity expansion.

We are strategically aligned with India's growth engines—renewables, infrastructure, and EPC. Alongside, we maintain a diversified presence across thermal power, construction, refinery, steel, cement, and urban infrastructure.

While profitability fell short of our aspirations, we are addressing the challenges and remain confident of improvement ahead. Our priorities are clear—enhanced customer centricity, driving sharper execution across segments, and reinforcing our industry leadership through continued investments and capacity expansion.

The macro-outlook is highly supportive: India added 22 GW of solar and wind capacity (+56% YoY) in Jan–Jun 2025, with wind alone up 84%. Cement demand grew 9.2% in May–Jun 2025, with 43–45 MMT new capacity planned in FY 2025-26. Steel production in Q1 FY 2025-26 rose 11.2% YoY to 40.6 MT, while consumption increased 7.9% to 38.3 MT, underscoring robust sectoral momentum.

India's infrastructure build-out—INR 3.4 Lakh Crores road tenders, metro rail expansion in 26 cities, airport modernisation, ports, logistics, and green hydrogen hubs—is driving strong demand for lifting and EPC support, where Sanghvi Movers remains a trusted partner of choice. With a strong order base, a healthy pipeline, and favourable tailwinds, we are confident of sustained performance in FY 2025-26 and beyond.

In keeping our commitment to accelerate overall development through innovative, technology-driven solutions, we are steadfast in empowering our people, scaling our fleet, and advancing our digital capabilities, enabling us to create sustained value for all stakeholders in a rapidly evolving market landscape.

I would like to sincerely thank our colleagues, our strengthened leadership team, and our Board of Directors for their resilience, vision, and guidance. Most importantly, I extend my deepest appreciation to you, our valued stakeholders, for your enduring trust and confidence during a year of both challenges and opportunities.

We now move forward with renewed energy and purpose, fully committed to executing our ambitious Vision 2030 growth strategy and creating lasting value for all our stakeholders.

Warm regards,

Gaurang Desai
Chief Executive Officer

Message from the Managing Director

Elevate 2030 is not a reaction to disruption—it is a proactive, purpose-driven leap forward. It builds on our core strengths while charting a course for sustainable, scalable, and diversified growth.

Introducing elevate 2030: legacy forward, future ready

Dear Stakeholders,

As I write to you today, it is with immense pride and gratitude that I reflect on the 35-year journey of Sanghvi Movers Limited (SML)—a journey rooted in entrepreneurial grit, operational excellence, and a steadfast commitment to customer trust and service delivery.

From humble beginnings to becoming Asia's largest and the world's fifth-largest crane rental Company, our growth story has been marked by relentless focus on scale, reliability, and execution. Over the years, we have developed deep sectoral expertise, forged enduring client partnerships, and played an integral role in India's industrial and infrastructure transformation.

Leadership transformation and structural shift

A major inflection point this year was the strengthening of our leadership team, with the appointment of a new CEO, CFO, and Chief Business Officer. This revitalised C-suite is now fully empowered and aligned to lead SML into its next chapter of sustainable, value-driven growth.

To enable sharper strategic focus and accelerate value creation, we have transitioned to a business unit-based structure. This model enhances P&L ownership, enables operational autonomy, and facilitates capital independence across each of our key verticals.

Introducing elevate 2030: a new chapter begins

To thrive in today's dynamic environment, we must evolve—not just react. This philosophy underpins Elevate 2030, our long-term strategic transformation framework to reposition SML as a multi-business, future-ready enterprise.

Elevate 2030 is not a reaction to disruption—it is a proactive, purpose-driven leap forward. It builds on our core strengths while charting a course for sustainable, scalable, and diversified growth. Through this vision, we aim to:

- **Sanghvi Movers Limited:** Reinforce our leadership in India's crane rental market and remain among the world's top five
- **Sangreen Future Private Limited:** Scale new frontiers in wind renewable energy by offering concept-to-commissioning EPC services
- **Sanghvi Movers Middle East:** Capitalise on our go-to-market success in Saudi Arabia to become a top five player in the region within five years
- **Sanghvi Group:** Operate with an agile, decentralised structure that improves accountability, enhances capital agility, and drives independent business growth

A strategy built on six pillars

At the heart of Elevate 2030 are six strategic pillars that will guide our transformation over the next five years:

- 1 Customer-centric approach**
Strengthening partnerships through tailored, high-quality service offerings
- 2 Global expansion**
Building our presence beyond India, with a sharp focus on Saudi Arabia, GCC and other parts of the world
- 3 Product portfolio diversification**
We will continue to look beyond Crane rental services and keep adding additional products/services in our portfolio
- 4 People-first culture**
Keeping our values at core we will be fostering performance-driven culture across all levels
- 5 Financial growth**
Enhancing capital efficiency, profitability, and return on equity
- 6 Digitally scalable**
Leveraging technology to unlock operational efficiencies and improve customer experience

Together, these pillars form the blueprint for a resilient, agile, and growth-focused Sanghvi Movers.

Looking ahead: growth with purpose

SML is entering a defining era—one that honours our legacy while boldly embracing the future. Elevate 2030 reflects our ambition to build a stronger, more diversified, and globally competitive enterprise that delivers enduring value to all stakeholders.

Our newly formed business units have been granted the autonomy to pursue independent strategies, raise capital as required, and operate with flexibility. At the same time, a centralised corporate function—spanning finance, human capital, technology, and strategy—will provide governance, support, and direction, ensuring each unit contributes to Group-wide value creation.

In gratitude

I extend my deepest appreciation to our dedicated employees, our revitalised leadership team, and our Board of Directors for their unwavering support, insight, and resilience. Their collective efforts have been instrumental in shaping our strategic journey.

To our valued stakeholders, thank you for your continued trust during a time of significant transformation and opportunity. As we execute Elevate 2030, we do so with renewed purpose, confidence, and an unshakable belief in the future of Sanghvi Movers.

Warm regards,

Rishi C. Sanghvi

ESG performance

As a leading player in the crane rental industry, Sanghvi Movers Limited (SML) embeds environmental, social, and governance (ESG) principles across its business operations. The Company remains committed to responsible growth—advancing sustainability, upholding ethical practices, and creating long-term value for its people, communities, and the planet.

Building an equitable future

SML's ESG framework is built around three pillars

Environmental stewardship

Reducing emissions through fleet modernisation and energy-efficient operations, promoting renewable energy, and optimising resource usage.

Social responsibility

Fostering a people-first culture, investing in workforce safety and training, engaging with local communities, and driving inclusion and well-being.

Governance excellence

Maintaining transparent, ethical, and compliant practices, strengthening risk management systems, and ensuring accountability at every level.

Through these initiatives, SML is driving measurable impact—not only within the organisation but also across the wider value chain. The Company's ESG journey is aligned with global benchmarks and India's national priorities, ensuring that growth is both sustainable and equitable.

Committed to environmental stewardship

SML is committed to reducing its carbon footprint by embedding sustainable practices across its operations and fostering environmental awareness among employees and partners. The Company invests in energy-efficient equipment and eco-friendly technologies to minimise emissions and optimise fuel consumption through advanced fleet management and proactive maintenance.

Shaping a cleaner future

Reducing environmental impact remains a top priority at SML. The Company promotes responsible practices by:

- Deploying energy-efficient technologies across operations
- Cutting emissions from equipment, facilities, and transportation
- Encouraging the use of alternative transport modes
- Conducting regular energy audits to identify inefficiencies and areas for improvement
- Driving energy conservation awareness among employees and customers

Key Initiatives

Energy management

- Installed energy management systems and invested in solar power plants, LED lighting, and efficient cooling systems
- Regular monitoring of energy use to identify inefficiencies and minimise waste
- Supports SML's long-term sustainability goals by reducing overall environmental footprint

Responsible supply chain

- Applies sustainability principles across the supply chain: OEMs, service providers, transporters, suppliers, dealers, and distributors
- Strict adherence to SML's Supplier Code of Conduct, covering labour rights, diversity, wages, safety, anti-corruption, and environmental laws
- Uses KPIs to monitor resource efficiency, waste reduction, and emissions
- Implements grievance redressal mechanisms to ensure accountability and compliance
- Overseen by the Purchase Head, with regular monitoring by senior management

Empowering our talent pool

SML places its people at the heart of its operations, with a sharp emphasis on their safety, well-being and professional development. The Company follows robust occupational health and safety standards, ensuring a secure and compliant work environment across all job sites. Beyond safety, SML invests in training, skill-building and employee engagement initiatives that foster growth, inclusion and a culture of continuous improvement.

Our approach to creating a conducive workplace

We believe employee engagement and well-being are central to organisational success. Our management promotes open communication, participative decision-making, and recognition to strengthen engagement, while continuous learning and development programmes encourage growth and innovation. Employee well-being is supported through safe working conditions, health and wellness initiatives, work-life balance measures, and mental well-being support. By nurturing a culture of trust, respect, and inclusion, we ensure employees feel valued, motivated, and connected to the Company's long-term vision.

Employee welfare and safety

By organising regular training and awareness sessions, SML fosters a culture of care, hazard identification and safe work practices, aiming to minimise workplace accidents. The Company conducts health and wellness programmes, including physical fitness initiatives, stress management exercises and ergonomic assessments to promote overall employee well-being.

- Across all its project sites, SML undertakes the following initiatives to ensure occupational health and safety:
- Identifying risks
 - Enforcing clear safety policies
 - Preparing for emergencies
 - Ensuring compliance with regulations
 - Providing thorough training
 - Conducting regular inspections for hazards
 - Promoting a safety-focused culture
 - Constantly improving safety measures

Key initiatives of FY 2024-25

At SML, safety is not a checkbox; it is one of our core elements embedded in every operation. Our zero Total Recordable Incident Rate (TRIR) in recent years reflects our industry-leading practices, certified by ISO 45001:2018 and reinforced by a dedicated QHSE team with over 350 cumulative years of experience. We have established international safety protocols in line with ISO systems, conduct continuous GWO and QHSE training, and foster a culture of accountability and vigilance across every project site.

Social – People

Employee engagement and communication

SML maintains open communication channels with its employees by organising town hall meetings, feedback sessions and employee surveys to boost engagement and ensure every employee feels valued and heard.

Key initiatives of FY 2024-25

Our employee engagement framework is designed to build a motivated, productive, and future-ready workforce. Key initiatives include structured communication platforms such as town halls and leadership connect sessions, robust recognition and reward programmes, and comprehensive learning and development interventions to enhance skills and leadership capabilities. Employee well-being is actively supported through health and wellness initiatives, while cultural events, team activities, and volunteering opportunities foster collaboration and a sense of community. The organisation provides clear career growth opportunities and participative decision-making, helping employees stay engaged, valued, and aligned with its long-term vision.

Health and safety

SML focuses on providing its personnel with a safe workplace. The Company's health and safety procedures seek to proactively identify, prevent and minimise risks, ensuring full compliance with international, national and local regulations. It promotes safety awareness among its workforce, encouraging the identification and mitigation of potential hazards. Through

strict adherence to safety protocols and continuous improvement, the Company eliminates unsafe practices and reduces the frequency and severity of workplace incidents.

SML prioritises a culture of safety, quality and environmental responsibility. The Company intends to achieve its goal of zero accidents by maintaining

compliance with rigorous standards and a robust QHSE framework. SML strives to earn and uphold its customers' trust through consistent, transparent practices.

Key initiatives of FY 2024-25

We prioritise employee health and safety through regular trainings, mock drills, and safety audits, supported by strict compliance with statutory standards and preventive risk management practices. Periodic health check-ups, occupational health services, and wellness initiatives promote overall well-being, while a safety-first culture reinforced by leadership involvement and continuous monitoring ensures a secure and productive workplace.

Social – Community

Enabling inclusive growth

SML engages actively with its local communities, undertaking initiatives that support education, healthcare and overall development. The Company promotes inclusive growth by addressing real needs on the ground and fostering equitable opportunities for all.

CSR philosophy

Vision

Creating Sustainable Value, Transforming Communities.

Key initiatives

- Developing wellness and community support facilities.
- Enhancing infrastructure for clean water, renewable energy, and sports facilities in underserved areas

Key initiatives

- Partnering with organisations to catalyse innovative climate solutions
- Supporting awareness initiatives on sustainability and environmental stewardship

Outlook

Building on the transformative progress of FY 2024-25, SML's CSR strategy is focused on amplifying long-term impact through an integrated, future-ready approach. The Company will scale its climate leadership by deepening commitments to sustainability, accelerate digital skilling with an emphasis on Industry 4.0 capabilities, and pioneer cross-sector impact models that maximise social return on investment. It also aims to adopt advanced metrics to better quantify social transformation and strengthen employee engagement through structured volunteering. With these priorities, SML is committed to driving meaningful social change while creating shared value for communities, stakeholders, and the environment.

Responsible leadership and oversight

SML operates through a structured governance framework that reinforces its core values and commitment to ethical conduct. Strict oversight by the Board ensures transparency, accountability and responsible decision-making, safeguarding stakeholder interests and building trust.

Approach towards responsible leadership

Our leadership approach is anchored in accountability, integrity, and sustainability. We believe that responsible leadership extends beyond financial performance to encompass ethical decision-making, transparent governance, and a commitment to social and environmental responsibilities. Leaders are encouraged to foster inclusivity, empower teams, and lead by example, ensuring that the Company's values are consistently upheld. By aligning strategic priorities with stakeholder expectations and long-term sustainability goals, our leadership sets the direction for a resilient, trusted, and future-ready organisation.

Corporate governance policies

Corporate policies and code of conduct

SML upholds a robust corporate governance framework founded on integrity, transparency and ethical responsibility. The Company's policies aim to foster accountability and ensure the protection of shareholder interests. Through vigilant oversight and principled leadership, SML drives sustainable growth and long-term value creation for all stakeholders.

Whistleblower protection

SML has implemented effective whistleblower protection protocols, which ensure a confidential and secure channel for employees and stakeholders to report unethical behaviour without fear of retaliation.

Risk management

By leveraging systematic assessment methods, the Company monitors key operational, financial, regulatory and market-related risks and puts controls in place to minimise their impact on its operations and stakeholders. This approach ensures service continuity and operational stability, even in volatile market conditions.

Internal controls and audit

Through rigorous internal control systems to protect assets, ensure accurate financial reporting and comply with relevant regulations, SML safeguards its operations. Regular internal audits reinforce transparency and accountability, evaluating controls and identifying improvement areas.

Independent external audits provide further assurance on financial statements and compliance, collectively enhancing operational integrity and trustworthiness across SML's business practices.

Transparency and disclosures

SML adheres to stringent standards for disclosing both financial and non-financial information to stakeholders via annual reports, quarterly updates and its corporate website. This commitment to clarity and accuracy empowers stakeholders to make informed decisions, fostering trust and confidence in SML's operations.

NOTES:

1. In accordance with the provisions of the Act, read with the Rules made thereunder and General Circular No. 09/2023 dated 25th September 2023, other Circulars issued by the Ministry of Corporate Affairs ("MCA") from time to time, Master Circular No. SEBI/ HO/CFD/PoD2/CIR/P/2023/120 dated 11th July 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/ CIR/2023/167 dated 7th October 2023 issued by SEBI ("the Circulars"), companies are allowed to hold AGM through video conference or other audio visual means ("VC/OAVM") upto 30 September 2025, without the physical presence of members at a common venue. Accordingly, the AGM of the Company is being held through VC/OAVM, and video recording and transcript of the same shall be made available on the website of the Company. Central Depository Services (India) Limited (CDSL) will be providing facility for voting through remote e-Voting, for participation in the AGM through VC/OAVM and e-Voting during the AGM.
2. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1,000 Members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairman's of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
5. Institutional/Corporate Shareholders (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the e-AGM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by e-mail through its registered e-mail address to sml.cs@sanghviglobal.com.
6. In accordance with the provisions of the Income Tax Act, 1961 ("the Income Tax Act") as amended from time to time, dividend declared and paid by a Company is taxable in the hands of shareholders and the Company is required to deduct tax at source (TDS) from dividend paid to the shareholders at the applicable rates. We shall therefore be required to deduct tax at source at the time of making the payment of the said dividend.

Tax rate applicable to a shareholder depends upon residential status and classification as per the provisions of the Income Tax Act. All shareholders are thereby requested to update any change in residential status and / or category with depository participants (in case of shares held in electronic form) or with the RTA, i.e. MUFG Intime India Private Limited (in case of shares held in physical form), as may be applicable, before the record date i.e. 12 September 2025. This communication summarizes applicable TDS provisions for Resident Shareholders and Non-Resident Shareholders as per the Income Tax Act.

For Resident Shareholders:

Tax will be deducted at source under Section 194 of the Income Tax Act at the rate of 10 percent on the sum of dividend payable unless exempt under any of the provisions of the Income Tax Act. However, in case of individuals, TDS would not apply if the aggregate of total dividend distributed to them by the Company during the financial year 2024-2025 does not exceed Rs. 5,000.

TDS will not be deducted in cases where a shareholder provides Form 15G (applicable to any person other than a Company or a Firm) or Form 15H (applicable to an individual above the age of 60 years), alongwith copy of self-attested Permanent Account Number (PAN), provided that eligibility conditions are being met. Form 15G / Form 15H can be uploaded at below link provided by the RTA (i.e. MUFG Intime India Private Limited): <https://web.linkintime.co.in/formsreg/submission-of-form-15g-15h.html>

TDS will not be deducted, if the shareholder is exempted from TDS provisions through any circular(s) or notification(s) and provides an attested copy of the PAN along with documentary evidence in relation to the same. Needless to mention, PAN will be mandatorily required. If your PAN details are available in your demat account for shares held in demat form or with the RTA for shares held in physical form, then there is no need to send PAN details again to the Company. If PAN is not available or invalid, TDS would be deducted at the rate of 20 percent as per Section 206AA of the Income Tax Act.

Notice (Contd.)

For Non-Resident Shareholders:

Tax is required to be withheld in accordance with the provisions of Section 195 of the Income Tax Act at applicable rates in force. As per the relevant provisions of the Income Tax Act, the tax shall be withheld at the rate of 20 percent (plus applicable surcharge and cess) on the amount of dividend payable.

Further, in the case of Foreign Institutional Investors and Foreign Portfolio Investors, tax shall be deducted at source at the rate of 20 percent (plus applicable surcharge and cess) under Section 196D of the Income Tax Act.

The Statement pursuant to Section 102 of the Companies Act, 2013 ("Act") and Secretarial Standard 2 issued by The Institute of Company Secretaries of India setting out material facts concerning the business under Item No. 4 of the Notice, is annexed hereto. The relevant details as required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (herein after referred as "SEBI Listing Regulations"), of the person seeking re-appointment as Director under Item No. 3 of the Notice is also annexed herewith.

Pursuant to Section 91 of the Companies Act, 2013, the record date to determine entitlement of dividend on equity shares will be 12 September 2025. The cut-off date for e-voting is 17 September 2025. The voting rights of Members shall be in proportion to their shares held in the paid-up equity share capital of the Company as on the cut-off date of 17 September 2025.

In terms of Article 135 of the Articles of Association of the Company, read with Section 152 of the Companies Act, 2013, Mrs. Maithili R. Sanghvi retires by rotation at the ensuing Meeting and being eligible, offer herself for re-appointment. The Board of Directors of the Company recommends her re-appointment.

Members whose shareholding is in the physical/dematerialized form are requested to direct change of address and updation of bank account details to the respective depository participants in case of shares held in dematerialized form and to Registrar & Share Transfer Agent of the Company in case of shares held in physical form.

Members are requested to:

- intimate to the Company's Registrar & Share Transfer Agent/their Depository Participants (DP) changes, if any, in their registered addresses at an early date;
- quote ledger folio numbers and / or DP Identity and Client Identity Numbers in all their correspondence;
- inform the Registrar & Share Transfer Agent of the Company the particulars of Bank Account Number with the Name of the Bank and its Branch;

- direct all their correspondence to the Registrar & Share Transfer Agent of the Company.

To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified. As per the provision of Section 72 of the Act, facility for making nomination(s) is now available to Individuals holding shares in the Company. Members holding shares in physical form may obtain the Nomination Form from Registrar and Transfer Agents, MUFG Intime India Private Limited. Members holding shares in demat mode should file their nomination with their DPs for availing this facility.

Members desirous of obtaining any information concerning accounts and operations of the Company are requested to address their questions in writing to the Company at least 10 days in advance before the date of Annual General Meeting, so as to enable the Management to keep the information ready.

In compliance with the aforesaid MCA Circulars and SEBI Circulars, Notice of the AGM along with the Annual Report is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. In line with the Ministry of Corporate Affairs (MCA) Circulars, the Notice calling the 36th AGM and the Annual Report for the financial year 2024-25 is available on the website of the Company at www.sanghvicranes.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

7. CDSL e-Voting System for e-voting and Joining Virtual meetings

In view of the guidelines issued by the Ministry of Corporate Affairs (MCA), the forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central

Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1,000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

In line with the Ministry of Corporate Affairs (MCA) Circulars, the Notice calling the AGM has been uploaded on the website of the Company at www.sanghvicranes.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

8. THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on Sunday, 21 September 2025 at 09:00 A.M (IST) and ends on Tuesday, 23 September 2025 at 05:00 P.M (IST). During this period shareholders'

of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday, 12 September 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Directors’ Report

The Board of Directors are pleased to present the Thirty-Sixth Annual Report on the business and operations of the Company, along with the Audited Financial Statements for the financial year ended 31st March 2025.

Sanghvi Movers Limited is the leading crane rental company in India, Asia and ranks as the Fifth largest globally. The Company holds a dominant position in the domestic crane rental industry, with an estimated market share of 40–45% overall and 60–65% in the high-capacity crane segment exceeding 400 MT. With a strong footprint in the infrastructure, energy and construction sectors, the Company provides comprehensive crane rental solutions, including crawler cranes and other specialized lifting equipments. Its diversified fleet comprises cranes with lifting capacities ranging from 40 MT to 1600 MT, catering to varied applications such as industrial construction, power project installations, wind turbine erection, and maintenance operations.

Sanghvi Movers has successfully executed several marquee projects across India, including airports, metro rail projects, bridges, and power plants. The Company has also provided crane services for offshore operations, including oil and gas facilities and wind energy installations. Committed to operational excellence, the Company maintains a modern, well-serviced fleet in line with global safety norms, supported by a team of trained operators

and technicians. In addition, it continues to expand its value proposition by offering customized lifting solutions that help clients optimize project timelines, reduce equipment downtime, and achieve cost efficiencies. The Board and Management of the Company remain committed to the maintenance of a technologically modernized, safety-compliant and operationally efficient crane fleet. This is supported by a qualified team of operators, engineers, and technical experts to ensure high service reliability and adherence to global best practices. Further, as part of its strategic direction, the Company continues to enhance its value-added offerings by providing tailored lifting solutions aimed at optimizing project execution timelines, minimizing equipment idle time, and reducing total project costs for clients.

Over the last two years, the Company has embarked on a transformational growth trajectory, marked by the formation of new wholly owned subsidiary companies and incorporation of an overseas subsidiary and diversification into new business verticals. These initiatives have substantially expanded the Company’s operational scale, geographical presence and strategic complexity. With the above brief synopsis, your Directors are pleased to present the financial performance of the Company, for the year ended 31 March 2025:

Management Discussion and Analysis

Global economy

The global economy continued to display resilience, maintaining steady growth despite persistent uncertainties. According to the IMF's July 2025 projections, global growth is stood at 3.2% and is estimated to reach 3.0% in 2025 and 3.1% in 2026. This moderation reflects the fading impact of earlier trade front-loading, ongoing geopolitical tensions, and uneven policy support across economies. Recent adjustments in tariff policies and a shift towards more accommodative monetary stances in several markets have helped support trade and financial conditions. Inflation is expected to ease to 4.2% in 2025 and 3.6% in 2026, though it may remain above target in some advanced markets.

In 2024, global growth held at 3.2%, stronger than initially expected, though outcomes diverged across economies. Advanced markets faced persistent services inflation, delaying

monetary normalisation, while the United States slowed on softer consumption and output. By contrast, the euro area rebounded, supported by services and net exports. In Asia, momentum strengthened, with China and India benefitting from robust domestic demand and external trade, helping narrow output gaps across emerging markets.

Looking ahead, growth in advanced economies is expected to stay modest, while emerging markets are poised to lead the expansion, supported by resilient exports, easing trade restrictions, and favourable domestic policies. Improved financial conditions, lower-than-expected tariff rates, and targeted fiscal measures are contributing to stability, while the trajectory of geopolitical developments and trade dynamics will remain key determinants.

Expanding horizons

Saudi Arabia's economy is projected to grow by 3.0% in 2025, up from 1.3% in 2024, driven by robust non-oil activities under the Kingdom's diversification agenda. With government-led projects and Vision 2030 investments fuelling demand, the construction sector is expanding rapidly, while oil production is set to rise from 8.9 Million bpd in 2025 to

nearly 10 Million bpd by 2026. Infrastructure, housing, and energy developments are backed by higher public spending, even as fiscal and external buffers remain ample. These dynamics create a significant pipeline of capital-intensive projects that demand reliable heavy-lift solutions and specialised crane rental services.

Indian economy

The Indian economy is showcasing robust growth and stability, solidifying its position as the fastest-growing major economy globally. This performance is underpinned by strong domestic demand, controlled inflation, and a resilient external sector. In 2024-25, real GDP growth was estimated at 6.5%, which is expected to continue its momentum in 2025-26. Inflation has eased considerably, providing relief to both households and businesses. In May 2025, the Consumer Price Index (CPI) inflation stood at 2.82%, the lowest since February 2019.

The external sector remains a strong pillar of the economy, with total exports reaching a new record of USD 824.9 Billion in 2024-25. Foreign Direct Investment (FDI) inflows also saw a significant increase, rising 14% to a provisional USD 81.04 Billion in FY 2024-25. As of June 20, 2025, India's foreign exchange reserves stood at USD 697.9 Billion. Businesses are expanding capacity, with many operating near their maximum output levels.

At the same time, public investment remains high, especially in infrastructure, while stable borrowing conditions are helping firms and consumers make forward-looking decisions.

Outlook

The global economy shows continued resilience, with growth projections revised upward but largely on account of temporary factors. Risks remain tilted to the downside from geopolitical tensions and rising fiscal deficits. In contrast, India presents a picture of stable growth, driven by strong domestic demand, easing inflation and a resilient external sector. Inflation has fallen to multi-year lows, while public investment in infrastructure and stable borrowing conditions continue to underpin economic momentum. This supportive domestic environment provides a solid foundation for Sanghvi Movers to operate, even as global uncertainties persist.

Industry review

Crane industry

The Indian crane market is poised for robust expansion, with its size estimated at USD 1.48 Billion in 2025 and projected to reach USD 2.06 Billion by 2030, reflecting a CAGR of 6.79% during 2025-2030. This growth is underpinned by rapid urbanisation, large-scale infrastructure development, and expansion in residential and commercial real estate, which continue to drive demand for cranes across construction, manufacturing, and logistics.

The construction sector remains the dominant end-user, with cranes deployed extensively in high-rise buildings, metro projects, bridges, and highways. Concurrently, the manufacturing and logistics sectors are leveraging cranes for heavy lifting in plants, warehouses, and ports, supporting industrial and trade growth. Among crane types, mobile cranes lead the market due to their flexibility, ease of mobility, and suitability for urban sites, while tower cranes remain integral to vertical construction and crawler cranes are favoured for heavy lifting on softer terrains.

Technological advancements, including telematics, enhanced safety features, and improved load-handling capabilities, are reshaping the sector, boosting both productivity and environmental compliance.

Construction equipment sector

India's construction equipment market was valued at USD 8.55 Billion in 2025 and is projected to advance at an 8.33% CAGR, reaching nearly USD 12.76 Billion by 2030. Growth is being propelled by the National Infrastructure Pipeline (NIP), accelerating demand for earthmoving, roadbuilding and material-handling machinery. Regulatory shifts such as the rollout of CEV Stage V emission norms are further catalysing investments in cleaner drive systems, while localisation programmes are shortening supply chains and reducing import costs.

Market dynamics are also evolving across equipment categories and regions. Earthmoving equipment remained the largest segment, commanding 57.10% of the market in 2024 and diesel-powered equipment accounted for 95.15% of the market in 2024, though electric and hybrid models are expanding rapidly at a 16.21% CAGR. From the demand perspective, infrastructure projects accounted for 43.25% of market share in 2024, while mining has emerged as the fastest-growing segment at an 11.11% CAGR. Regionally, South India led with 32.5% of demand, while the North-East is expected to expand at the fastest pace, growing at 13.20% CAGR by 2030.

Construction sector

The Indian construction market contributes approximately 8% to India's GDP, and is valued at USD 1.04 Trillion in 2024, projected to grow to USD 1.21 Trillion in 2025 and further to USD 2.13 Trillion by 2030, registering a CAGR of 12.1% during 2025-2030. This rapid expansion is underpinned by strong government-backed initiatives such as the National Investment Pipeline and major projects. A sharper focus on sustainable and smart infrastructure is also accelerating growth, with significant investments in metro rail expansion, affordable green housing and renewable energy projects.

Robust investments in infrastructure development have also driven an annual growth rate of nearly 30% in construction equipment demand. While regulatory hurdles and bureaucratic inefficiencies continue to challenge timelines and costs, the integration of digital technologies such as BIM, AI, and IoT is enabling greater design precision, collaboration and operational efficiency.

Infrastructure sector

Infrastructure development remains central to India's long-term economic ambitions, with a significant push in the Union Budget 2025-26. The capital investment outlay has been raised to ₹11.21 Lakh Crores (USD 128.64 Billion), equivalent to 3.1% of GDP, reflecting the government's commitment to building world-class infrastructure. To accelerate private participation, the Infrastructure Finance Secretariat has been established as a single-window mechanism to support stakeholders and ensure efficient project delivery.

To recycle capital and fund new projects, the Second Asset Monetisation Plan aims to reinvest ₹10 Lakh Crores (USD 115.34 Billion) over 2025-30. Foreign interest is equally strong, with

cumulative FDI inflows into construction development and infrastructure activities totalling USD 45.64 Billion between April 2000 and March 2025. Strategic partnerships, including the USD 42 Billion India-Japan investment plan by 2027, further reinforce the sector's position as a cornerstone of India's growth trajectory.

Government initiatives

India's infrastructure development is being propelled by transformative programmes such as the PM Gati Shakti National Master Plan, which targets investments of USD 1.3 Trillion to cut logistics costs, expand cargo capacity, and reduce turnaround times. Complementing this, the National Infrastructure Pipeline (NIP) spans over 9,000 projects across 34 sectors with an outlay of USD 1.2 Trillion (2020-25), reinforcing India's ambition to build world-class infrastructure at scale.

Significant progress is also visible across transport and urban sectors. In railways, India commissioned 31,180 km of track over the past decade, with daily additions rising from 4 km in FY 2014-15 to 14.54 km in FY 2023-24. The aviation network continues to expand, with 158 operational airports and 84 more built in the past decade, while plans are underway to add 120 new airports in the next 10 years. Urban transformation remains a focus, with 7,804 Smart Cities Mission projects worth USD 21.9 Billion sanctioned, of which nearly 67% are already complete. Alongside, initiatives in green energy and digital infrastructure, including renewable projects and ocean thermal technologies, underscore the government's commitment to sustainable growth. Together, these measures position infrastructure as a cornerstone of India's economic expansion, connectivity, and competitiveness.

Power sector

India's power sector has achieved significant expansion in recent years, emerging as the third-largest producer and consumer of electricity globally. As of June 2025, total installed power capacity stood at 476 GW, of which thermal power accounted for 240 GW, or 50.5% of capacity. Despite rising demand, power shortages have been sharply reduced from 4.2% in 2013-14 to just 0.1% in 2024-25, reflecting strengthened supply reliability and grid efficiency.

Electricity consumption has also risen in line with economic growth, with per capita consumption increasing by 45.8% over the last decade, reaching 1,395 kWh in 2023-24, up from 957 kWh in 2013-14. Total electricity generation grew from 1,168 BU in 2015-16 to an estimated 1,824 BU in 2024-25, highlighting the sector's rapid scale-up to meet industrial, commercial, and

household demand. More than 2.8 Crores households have been electrified, achieving near-universal access. Looking ahead, India's energy demand is expected to expand at 6-6.5% annually over the next five years. Peak power demand is projected to reach 277 GW by FY 2026-27 and 366 GW by FY 2031-32, underscoring the scale of future requirements.

476 GW

Renewable energy sector

India continues to consolidate its position as a global leader in renewable energy, underpinned by strong policy support, ambitious climate commitments and accelerating investments. As of March 2025, the country's renewable energy capacity, including biomass and waste-to-energy, reached 220 GW, accounting for nearly 47% of total installed power capacity. This growth underscores India's progress towards its target of 500 GW of renewable capacity by 2030.

India has set ambitious targets to reduce the carbon intensity of its economy by less than 45% by 2030, achieve 50% cumulative power capacity from renewables by 2030, and attain Net Zero carbon emissions by 2070. The project pipeline remains robust, with renewable capacity projected to reach 250 GW by 2026. Annual wind capacity additions are expected to more than double, rising to an average of 7.1 GW over FY 2026-27, compared with 3.4 GW in FY 2024-25, driven by supportive government measures.

The sector is witnessing sustained momentum in investment. The FY 2025-26 Union Budget increased allocations to the Ministry of New and Renewable Energy (MNRE) by 39%, totalling ₹25,649 Crores (USD 3.03 Billion). In parallel, public and private sector players are ramping up commitments; BPCL, for example, has announced plans to invest USD 1.19 Billion in green energy, targeting 2 GW by 2025, 10 GW by 2035, and installing 7,000 EV charging stations in five years.

India's renewable energy growth is also strategically aligned with its role in global energy demand, with the country projected to contribute 35% of global energy demand growth over the next two decades. Alongside solar and wind expansion, emerging investments in natural gas, LNG, and hydrogen are expected to play a complementary role in supporting decarbonisation and ensuring long-term energy security.

Renewable energy target by FY 2029-30

Oil and gas sector

India remains a central player in the global oil and gas landscape, retaining its position as the world's third-largest consumer of oil and the fourth-largest importer of liquefied natural gas (LNG). The country's energy demand is expected to nearly double by 2040, with primary energy consumption projected to reach 1,123 MT of oil equivalent as GDP expands to USD 8.6 Trillion.

India's refining sector has strengthened considerably, with installed refining capacity rising from 215.1 MMTPA in FY 2013-14 to 256.8 MMTPA in FY 2023-24, making it the second-largest refiner in Asia. Looking ahead, refining capacity is targeted to expand to 450-500 MT by 2030, with projections indicating 309.5 MMTPA by 2028. India, currently the world's fourth-largest crude oil refiner, is also expected to add nearly one Million Barrels per day (mb/d) of refining capacity by 2028.

Domestic demand continues to drive strong growth in petroleum product consumption, which increased from 158.4 MMT in FY 2013-14 to 243.3 MMT in FY 2023-24, reflecting a CAGR of 4% over the past decade. In FY 2024-25, consumption stood at 239.2 MMT, underscoring the country's resilience in meeting rising energy requirements.

This growth is supported by the government's focus on enhancing energy security through diversification of supply sources, infrastructure upgrades, and strategic investment in refining and natural gas facilities.

Cement sector

India, the world's second-largest cement producer, continues to witness strong momentum in demand and capacity expansion. Cement volumes reached 37.2 MT in December 2024, reflecting a 4% YoY rise, while total volumes for April-December FY 2024-25 stood at 319 MT, up 3% from the previous year. Overall consumption touched 445 MMT in FY 2023-24 and is projected to rise sharply to 670 MMT by 2030, supported by infrastructure growth, residential projects, and government spending.

Geographically, the sector remains concentrated in South and West India, with 77 large plants located across Andhra Pradesh, Rajasthan, and Tamil Nadu. This regional dominance reflects favourable limestone availability, strong infrastructure demand, and proximity to ports for exports.

670 MMT

Overall cement consumption by FY 2029-30

Steel industry

India retained its position as the world's second-largest producer of crude steel, with production reaching 137.96 MT during April to February FY 2024-25, while finished steel output stood at 132.57 MT. The Steel Authority of India Limited (SAIL) achieved its highest-ever annual crude steel output in FY 2022-23 at 18.29 MT, reflecting a 5.3% growth over its previous record. Steel consumption from India's infrastructure sector is projected to rise to 11% of total demand by FY 2025-26, while the automotive sector is expected to see a steady uptick in demand.

Industry capacity has expanded from 142.29 MT in FY 2019-20 and is anticipated to nearly double to 300 MT by 2030-31, underpinned by significant investments and policy support. India's demand for steel is forecast to grow at an annual rate of 5-7.3% over the next decade, making it a cornerstone of the country's industrial growth trajectory.

The steel industry also continues to attract investment, with 100% FDI permitted under the automatic route. Between April 2000 and December 2024, the Indian metallurgical sector drew FDI inflows worth ₹1,12,282 Crores (USD 18.32 Billion), reflecting global confidence in India's long-term steel demand.

Company overview

Sanghvi Movers Limited (SML) is India's and Asia's largest crane rental company and ranks as the fourth-largest globally (International Cranes, June 2024). Incorporated in 1989 and headquartered in Pune, the Company has built a strong market presence through consistent growth in scale and capabilities. Its equity shares are listed on the Bombay Stock Exchange and the National Stock Exchange.

SML holds ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 certifications, underscoring its adherence to quality management, environmental stewardship, and occupational health and safety standards. The Company operates a diversified fleet of over 370 medium to large-sized heavy-duty telescopic and crawler cranes, ranging from 20 MT to 1,600 MT capacity, deployed at over 150 sites across India.

Management Discussion and Analysis (Contd.)

SML serves a broad spectrum of industries, including power, steel, cement, fertilisers, petrochemicals and refineries, metro rail projects, and renewable energy, particularly the wind sector. To complement its lifting solutions, the Company also operates a fleet of over 100 high-bed trailers and 100 multi-axle lines, enabling efficient and reliable transportation of equipment.

SML has established a strong pan-India footprint with depots across more than ten states, enabling efficient and timely service delivery. Since its IPO in 1995, the Company has strategically expanded its fleet, achieving a significant milestone in FY 1997-98 through its collaboration with Reliance Industries Limited, which involved a capital expenditure of over ₹50 Crores and the deployment of more than 75 cranes. Driven by continuous investments in a world-class crane fleet, advanced technology, and a skilled workforce of over 2,500 employees, SML has reinforced its position as a leader in the crane rental industry.

Financial performance

In FY 2024-25, Sanghvi Movers Limited (SML) recorded strong revenue growth but faced margin pressures due to softer crane rental demand, prolonged monsoons, election-related disruptions, and rising competition. The Company's total income increased 27% YoY to ₹823 Crores, led by its Renewable segment, while net profit moderated to ₹157 Crores from ₹188 Crores in the previous year owing to higher depreciation and interest costs. EBITDA stood at ₹371 Crores, representing a margin of 45% compared to 63% last year. Capacity utilisation averaged 73%, with blended yield remaining resilient at 2.05% per month. SML invested ₹235 Crores in capability expansion, including the addition of 46 new cranes, taking cumulative lifting capacity to 91,693 MTPA, while monetisation of 30 cranes generated a profit of ₹13 Crores. The order book strengthened to ₹600 Crores as of April 2025, with renewables contributing nearly 63%, supported by a healthy net debt-to-equity ratio of 0.33:1, positioning the Company on a strong footing for future growth despite near-term profitability pressures.

Opportunities

- **Infrastructure development:** India's strong emphasis on infrastructure growth, including Smart Cities and large-scale industrial projects, is driving rising demand for heavy-lifting solutions
- **Renewable energy:** The rapid expansion of renewable energy, particularly wind power, presents significant opportunities for SML to strengthen its presence in this sector
- **Urbanisation and industrialisation:** Expanding urban centres and growing industrial activity continue to generate sustained demand for crane rental services in construction and facility development
- **Technological advancement:** Adoption of digital monitoring, automation, and other advanced technologies in crane operations offers avenues to enhance efficiency, safety, and service quality
- **Global expansion:** Building on its strong domestic presence, SML has entered in Kingdom of Saudi Arabia markets experiencing accelerated infrastructure development

Threats

- **Economic uncertainty:** Volatility in economic conditions, exchange rate fluctuations, and regulatory changes may influence infrastructure investments, thereby impacting demand for crane rental services
- **Intense competition:** The presence of multiple domestic and global players in the crane rental industry heightens competitive pressures, which may affect pricing and profitability
- **Supply chain risks:** Reliance on external suppliers for crane components and maintenance poses risks of supply disruptions, potentially impacting operational efficiency and client service levels

Risk management

Sanghvi Movers Limited (SML) has established a comprehensive risk management framework operating across multiple organisational levels. The Board of Directors sets the overall risk management strategy, while the Risk Management Committee oversees execution and monitoring. This approach ensures alignment with long-term objectives while enabling proactive identification and mitigation of risks.

Key risk categories and mitigation measures include:

- **Economic risks** managed through client diversification, flexible pricing, and maintaining financial strength
- **Market risks** addressed by diversification across industries and geographies, and long-term client contracts
- **Operational risks** mitigated through strict safety protocols, preventive equipment maintenance, and employee training
- **Cybersecurity risks** countered through robust IT security systems and employee awareness programmes
- **Financial risks** managed by diversifying revenue streams, maintaining liquidity, and regular financial reviews
- **Sustainability risks** addressed by adopting energy-efficient practices, ESG initiatives, and stakeholder engagement
- **Technology risks** managed through reliable IT infrastructure, regular backups, and disaster recovery planning

Human capital management

SML recognises that specialised talent is fundamental to operational excellence and growth. The Company has implemented several initiatives to strengthen its workforce:

- Leadership development programmes to build a pipeline of future leaders.
- Career planning and skill development to keep employees future ready.
- Employee engagement and recognition frameworks to foster motivation and retention.
- Talent rotation across projects and geographies to build multi-functional expertise and enhance employee loyalty.

These initiatives ensure a motivated, skilled, and future-ready workforce aligned with SML's growth strategy.

Internal control systems

SML maintains a robust internal control system aligned with the scale and complexity of its operations. The framework ensures accurate financial reporting, safeguarding of assets, and compliance with applicable regulations. Documented policies, well-defined responsibilities, and structured processes support transparency and consistency.

Independent internal audits are conducted regularly to review systems and procedures, with findings reviewed by management for continuous improvement. This framework ensures effective resource utilisation, regulatory compliance, and reliability of financial reporting, thereby reinforcing governance standards and stakeholder confidence.

PRACTICING COMPANY SECRETARY'S CERTIFICATE ON CORPORATE GOVERNANCE

To,
Members,
Sanghvi Movers Limited,
S. No. 92 Tathawade, Taluka Mulshi,
Pune – 411033

We have examined all the relevant records of Corporate Governance of Sanghvi Movers Limited (the Company) for the year ended 31st March 2025, for the purpose of certifying compliance of the conditions of Corporate Governance as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') as referred to in Regulation 34 (3) read with regulations 17 to 27, Clauses (b) to (i) of Sub-Regulation (2) of Regulation 46 and Para C, D and E of Schedule V of the Listing Regulations for the period 1st April 2024 to 31st March 2025.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to the procedure and implementation process adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. The certificate is neither an assurance as to the future viability of the Company nor the efficacy or effectiveness with which the management has conducted the affairs of the Company.

In our opinion and to the best of our information and according to explanations given to us and based on the representations made by the Directors, Company Secretary and the Management, we certify that the Company has complied with the provisions of Corporate Governance specified in Regulation 17 to 27, Clauses (b) to (i) of Sub Regulation (2) of Regulation 46 and Para C, D and E of Schedule V of the Listing Regulations, as applicable, except for the following;

1. The performance evaluation was done at the meeting of the Nomination and Remuneration Committee and board meeting as required under Regulation 17(10) & 19(4) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 but was not specifically recorded in the minutes of the Nomination and Remuneration Committee and board meeting held during the year.
2. The Company entered into related party transactions during the period under review with its wholly owned subsidiaries in the ordinary course of business. While these transactions were placed before and noted in the minutes of the Audit Committee and Board Meetings held on 13th February 2025, the minutes did not contain a specific reference to the terms 'approval' or 'prior approval' from the Audit Committee and the Board of Directors, as required under Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
3. The wholly owned subsidiary (WOS) company at Vietnam is a dormant company and the subsidiary was not required to prepare financial statement as per laws of their country and another WOS Sangreen Renewables Private Limited was incorporated in March 2024 with no operations, no transactions as on 31st March 2024. Hence the financials of both the WOS were not placed before the committee for its review as required under Regulation 24(2) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
4. As per Regulation 24(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the minutes of wholly owned subsidiary Companies were noted in the Audit Committee meetings; however, there is no specific reference of noting of the minutes of the wholly owned subsidiary companies in the minutes of the board meetings; except for the Board meeting held in 16th May 2024.
5. The minutes of the board meeting has not recorded the declaration and confirmation submitted by the independent director pursuant to Regulation 25(8) & (9) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Report on Corporate Governance (Contd.)

6. As per the Regulation 46(2) of SEBI (LODR) Regulations, 2015 the company is yet to disseminate the information under a separate section on its website including but not limited to the following:
- Memorandum of Association
 - Articles of Association
 - Brief profile of board of directors including directorship and full-time positions in body corporates.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company and this Certificate is issued solely for the purpose of complying with the aforesaid LODR and may not be suitable for any other purpose.

26. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format

Sr. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Emissions & Pollutants	Risk	As a crane rental service provider, SML's operations involve significant energy use, especially during crane operation, which results in considerable direct and indirect Greenhouse Gas (GHG) emissions, such as carbon dioxide and methane from fuel consumption. If these emissions and related pollutants are not effectively managed, they could lead to potential legal and environmental risks for the company.	To address this risk, SML is dedicated to supporting the clean energy transition through a clear environmental policy. The company has invested in solar power installations and energy-efficient equipment, such as advanced air conditioning systems, helping to promote renewable energy use and conserve energy.	Negative
2.	Improve Operational Efficiency	Opportunity	Operational efficiency focuses on achieving greater output with fewer resources. This involves reducing energy consumption, improving output, and making better use of equipment. By adopting optimisation strategies, companies can not only boost profitability but also support long-term sustainability goals.	-	Positive
3.	Waste Management	Risk	Waste is commonly produced during company operations, machinery maintenance, and administrative tasks, posing risks to the environment, air quality, climate, and ecosystems. Improper waste management can endanger personnel safety and result in substantial fines for non-compliance with regulations.	SML has implemented Waste Management and IT E-Waste Management Policies to support the circular economy. The company follows established systems and procedures to ensure responsible waste disposal, adhering to best practices and standards with a strong focus on sustainability.	Negative
4.	Climate Risk and Adaption	Risk	Climate change presents both physical risks, like floods and wildfires, and transitional risks, such as the introduction of mandatory renewable energy regulations. These factors can affect business operations, making it essential to evaluate and address these risks proactively.	Although our company has not currently identified any climate-related risks, we are proactively monitoring changes in environmental conditions and regulations. This ongoing vigilance ensures we remain informed and ready to respond to any future climate risks that may arise.	Negative
5.	Circular Economy	Opportunity	The Circular Economy approach encourages the reuse, refurbishment, and recycling of materials and products. Moving towards this model will lead to changes in how buildings are designed and the types of materials used. Evolving regulations, changing market demands, and advancements in technology can help lower costs and drive efficiency.	-	Positive

Sr. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
6.	Customer Satisfaction	Risk	In an industry that handles high-value projects, maintaining customer satisfaction is crucial. Poor customer experiences can threaten business continuity, whereas delivering a positive experience can boost profitability and strengthen the company's brand reputation.	At SML, maintaining high service quality is our top priority. We have a clear escalation process to quickly address customer concerns and provide timely solutions. The company commits to delivering cranes to job sites on schedule and uses a strong monitoring system to ensure smooth operations. Our dedication has earned us numerous Certificates of Appreciation from customers for timely project completion and strict adherence to Health, Safety, and Environment (HSE) standards.	Negative
7.	Operational Health & Safety	Risk	Operations involve substantial manual labor for tasks like maintenance, repairs, and on-site activities, often in environments with heavy machinery and powered equipment. This increases the risk of accidents, injuries, and fatalities - especially among temporary workers who may lack sufficient training or experience. Failing to ensure proper health and safety measures can lead to fines, legal liabilities, and regulatory actions. Serious incidents may also cause project delays and downtime, raising costs and reducing overall profitability.	SML prioritises Employee Health and Safety (EHS) by upholding top Occupational Health and Safety (OHS) standards. As an ISO 45001 certified organization, we have a dedicated EHS team that actively manages safety protocols across our offices and job sites. Regular training sessions are held to protect the well-being of employees and workers. Additionally, we organise Safety Week and conduct safety workshops throughout the year to foster a strong safety culture and raise awareness of best practices. The company strictly follows all required Standard Operating Procedures (SOPs) to ensure the highest level of health and safety for both employees and equipment at work sites.	Negative
8.	Employee Well-being & Retention	Risk	Higher employee retention rates reflect good company policies and practices. Conversely, a high attrition rate indicates low employee satisfaction, which can concern investors. Ensuring employee well-being can boost morale and reduce hiring and onboarding costs.	SML is committed to the holistic growth of its employees through strong people-focused practices. We focus on health and wellness initiatives, fair compensation, equal opportunities, and comprehensive training programs. Our performance appraisals and promotion processes aim to support employee retention. Moreover, we organise various activities, including annual sports events, festival celebrations, trekking trips, health check-ups, and 9.learning and development sessions, to create a positive and engaging workplace culture.	Negative
9.	Labour Management	Risk	For businesses that rely on on-site workers, strong labour management practices are essential. This involves handling the complexities of workforce size, labour intensity, and various operational locations, while also strengthening communication between management and workers, protecting worker rights, and encouraging engagement. The loss of skilled labour, in particular, can create significant operational risks.	The company has strong labour management systems in place, featuring clear job descriptions and regular training sessions. We promote a positive work environment, prioritise employee well-being, and ensure open communication channels to quickly address any concerns.	Negative

Sr. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
10.	Diversity & Inclusion	Opportunity	A strong focus on diversity and inclusion indicates that employees feel a sense of belonging and fairness within the organisation. Enhancing these practices allows companies to better support underrepresented groups, which in turn strengthens their reputation within the community.	The company plans to develop and implement strategies aimed at enhancing diversity and inclusion.	Positive
11.	Human Rights	Risk	Companies that prioritise human rights show their dedication to fostering sustainable and positive relationships with all stakeholders affected by their operations - such as customers, communities, employees, and investors. This reflects a genuine commitment to the well-being of the people they interact with.	At SML, respecting human dignity is a core value. We are committed to providing equal opportunities, enforcing strict policies against sexual harassment, banning child and forced labour, and following a comprehensive code of conduct. These principles help us maintain full compliance with human rights standards across all our operations.	Negative
12.	Customer Information And Privacy Protection	Risk	Companies are evaluated on factors such as the volume of personal data they gather, their exposure to changing or stricter privacy laws, their risk of data breaches, and how well their data protection measures perform.	SML values and safeguards customer data privacy. We have established a clear privacy policy and strong systems to protect customer information effectively.	Negative
13.	Corporate Governance	Risk	Businesses are evaluated on their performance in key governance areas, including ownership structure, board compensation, accounting standards, business ethics, and tax transparency. This assessment looks at how a company's governance and ethical practices impact its shareholders and other investors.	SML is committed to strict adherence to all relevant laws and regulations, with robust systems in place to monitor regulatory compliance. We conduct our business ethically, transparently, and with accountability, striking a balance between the interests of our shareholders and stakeholders. Our senior management conducts regular reviews to ensure compliance and uphold these principles.	Negative
14.	Business Ethics And Compliance	Risk	Important business ethics concerns include fraud, executive wrongdoing, corruption, money laundering, and anti-trust breaches. Violations of ethical standards can result in police investigations, large fines, settlement expenses, and harm to the company's reputation.	SML has put in place an Anti-Bribery and Anti-Corruption Policy, supported by a strong Vigil Mechanism and Whistleblower policy. Management regularly reviews these measures to maintain a firm commitment to preventing bribery and corruption.	Negative

Governance, leadership and oversight

7 Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements (listed entity has flexibility regarding the placement of this disclosure)

At Sanghvi Movers Limited, we are deeply committed to Environmental, Social, and Governance (ESG) principles. We firmly believe that responsible business conduct is essential for generating long-term value for all stakeholders. This commitment is demonstrated through the policies and actions we have adopted to minimise our environmental footprint and support sustainable development.

As we expand our operations, we continue to prioritise environmental stewardship, societal wellbeing, and transparent governance. Sustainability is integrated into our business strategy, and we view ESG as a key enabler of long-term value creation.

We aim to maintain full transparency in our disclosures and believe that our ESG efforts are central to fulfilling our purpose of creating meaningful impact. Our environmental initiatives focus on energy efficiency, emission reduction, and responsible resource usage. A notable step towards clean energy is the installation of a 120-kilowatt solar power system, marking our commitment to a greener future.

We also support the renewable energy sector by supplying cranes for wind farm construction and are actively expanding into the Wind Power EPC segment. In addition, we promote green infrastructure through regular tree plantation drives, having planted over 3,000 trees as of 31 March 2025.

The health, safety, and wellbeing of our employees remain a top priority. We have implemented multiple initiatives to ensure a safe and healthy work environment. On the governance front, we uphold strong ethical standards and transparency in all aspects of our business.

Our operations across the value chain are conducted in an ethical, responsible, and sustainable manner. We believe ESG considerations are integral to our long-term growth, and through collective efforts, we aim to contribute to a sustainable and inclusive future.

10. Health and safety management system

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No)

Yes

If Yes, the Coverage such systems?

SML places a strong emphasis on employee well-being by ensuring a safe and healthy work environment. Our commitment to occupational health and safety is validated by our ISO 45001 certification, a globally recognised benchmark in this domain.

We have established a comprehensive policy that outlines our key principles and objectives for maintaining workplace safety. A dedicated Environmental, Health, and Safety (EHS) team is responsible for implementing and monitoring safety protocols, ensuring full compliance with relevant regulations and industry best practices.

Through proactive safety management and ISO 45001 certification, SML reaffirms its steadfast commitment to safeguarding the health and well-being of its employees and stakeholders.

b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

At SML, safety is not just a priority, it's an ongoing process of proactive risk management. We go beyond basic compliance by employing a comprehensive system to identify and address potential hazards in our workplace. This system incorporates regular risk assessments to analyse everyday tasks, Job Safety Analyses (JSAs) to pinpoint risks specific to each activity, and proactive hazard identification through safety audits and inspections. We continuously learn and improve our safety protocols by investigating incidents and near-miss reports. For non-routine tasks, we take additional precautions with a permit-to-work system and detailed method statements, ensuring all potential risks are carefully managed before work commences. This comprehensive approach allows SML to foster a safe and secure work environment for all employees and stakeholders.

c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks? (Yes/ No)

Yes

d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)

12. Describe the measures taken by the entity to ensure a safe and healthy workplace.

At SML, ensuring a safe and healthy workplace is a top priority. The Company has implemented a comprehensive Quality, Health, Safety, and Environment (QHSE) Policy, which forms the basis of all its safety initiatives. This is further supported by a strong Occupational Health and Safety Management System (OHSMS) that includes detailed risk assessments, regular safety audits, and continuous monitoring of workplace conditions.

The risk assessments are aimed at identifying potential hazards and implementing appropriate control measures. Regular safety audits help ensure compliance with safety standards and provide insights for continuous improvement, allowing the Company to proactively address safety issues and maintain a secure work environment.

SML has also developed specific Occupational Health and Safety (OHS) procedures tailored to both site and office operations. For on-site activities, the Company follows a detailed Site HSE Plan, which outlines safety protocols and emergency response procedures to ensure regulatory compliance and safe execution of operations.

To further strengthen its safety culture, SML invests in extensive training and awareness programmes. All employees undergo mandatory safety training, covering topics ranging from basic safety practices to emergency preparedness. Specialised training is also provided for specific roles, ensuring that every team member is equipped with the knowledge and skills required to work safely.

Independent Auditor’s Report

To the Members of Sanghvi Movers Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Sanghvi Movers Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies

(Indian Accounting Standards) Rules, 2015, as amended (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Standalone Financial Statements’ section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No Key Audit Matters	How the Key Audit Matters was addressed in our audit
1 Provision for expected credit loss for accounts receivable: Refer note 10 of standalone financial statements with respect to the disclosures of Trade Receivables. On March 31, 2025, Trade receivable balances aggregate to INR 17,559.93 Lakhs against which provision aggregating INR 938.57 Lakhs has been created towards credit risk and expected credit loss in the books of account. The Company determines the allowance for credit losses based on analysis of past data and determine the default rate. Further, calculation of credit loss provision is a complex area and requires management to make significant assumptions on customer payment behaviour and estimating the level and timing of expected future cash flows and interest rate to be used for time loss. We identified allowance for credit losses as a key audit matter because significant management judgement and assumptions are involved in calculating the expected credit losses. This required an increased extent of effort when performing the audit procedures to evaluate the reasonableness of management’s estimate of the expected credit losses including significant discussion with management on slow recoveries.	Our audit procedures performed in respect of this area include but are not limited to: - Obtained an understating of the Company’s policy on assessment of impairment of trade receivables, including design and implementation of controls over development of the methodology for the computation of provision for credit losses including completeness and accuracy of information used in such estimation and computation and validation of management review controls. - Verified the operating effectiveness of these controls on a test check basis. - Obtained independent balance confirmations from the Company’s customers on a test check basis and performed alternative procedures wherever applicable. - Verified subsequent receipts after the year-end on a test check basis. - Verified aging of trade receivables for sample of customer transactions. - Evaluated management comments and recovery plans for trade receivables outstanding for more than 180 days.

Sr. No Key Audit Matters	How the Key Audit Matters was addressed in our audit
	- Assessed the trade receivables impairment methodology applied in the current year and compared the Company’s provisioning rates against historical collection data. - Verified the completeness and accuracy of the disclosures in accordance with the requirements of the relevant Ind AS, which are included in note 10 of the standalone financial statements.
2 Revenue from contract with customer’s: Refer note 25 and 36 of standalone financial statement with respect to the revenue recognized for the year ended March 31, 2025. The Company recognized revenue of INR 8,494.93 Lakhs from Engineering, Procurement and Construction (EPC) contracts over time, using the percentage-of-completion method (including revenue from discontinued operations). This approach requires significant management judgment in estimating total contract revenue and costs, determining the stage of completion, assessing contract modifications and variable consideration, and evaluating the recoverability of costs. Given the complexity of these contracts and the level of estimation involved, revenue recognition for Wind EPC contracts was considered a key audit matter.	Our audit procedures performed in respect of this area include but are not limited to: - Evaluating the appropriateness of the Company’s revenue recognition policies in line with the applicable financial reporting framework (Ind AS 115 – Revenue from Contracts with Customers). - Testing the design and implementation, and operating effectiveness of key internal controls over revenue recognition, contract cost estimation, and project monitoring. - Selecting a sample of significant EPC contracts and performing the following: - - Reading key contract terms and conditions to assess the performance obligations and pricing, including any variable consideration or contract modifications. - Assessing the reasonableness of management’s estimates of total contract revenue and costs through comparison with budgets. - Comparing project status and stage of completion to internal reports and customer confirmations. - Evaluating the reasonableness of costs incurred to date and the estimated costs to complete, including inquiries with project management and engineering teams - Performing analytical procedures on margins across projects. - Evaluating the adequacy of the related disclosures in the financial statements regarding the judgments involved in revenue recognition.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the other information. The other information comprises the Director’s report but does not include the standalone financial statements and our auditor’s report thereon, which we obtained prior to the date of this auditor’s report, and the Management report, Chairman’s statement, Business Responsibility and Sustainability Reporting and other information included in Annual report which is expected to be made available to us after that date.

Our opinion on the standalone financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information

identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor’s report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Management report, Chairman’s statement, Business Responsibility and Sustainability Reporting and other information included in Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 ‘The Auditor’s responsibilities Relating to Other Information’.

Independent Auditor's Report (Contd.)

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the standalone financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give

in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g).
- (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 2(b) above on reporting under Section 143(3)(b) and paragraph 2(h)(vi) below on reporting under Rule 11(g).
- (g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer note 51 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

iv.

1. The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
2. The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
3. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, and according to the information and explanations provided to us by the Management in this regard nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (1) and (2) above, contain any material mis-statement.

v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.

The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend. (Refer note 16 to the standalone financial statements).

vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of

recording audit trail (edit log) facility and the same has been operated throughout the year for all the relevant transactions recorded in the software except that in absence of sufficient and appropriate audit evidence including adequate coverage in SOC report we are unable to comment on audit trail at database level, as explained in note 53 to the financial statements. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with in respect of such accounting software except for above. Additionally, the audit trail of prior year has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in respective years.

In regard to Payroll application

Based on our examination which included test checks, the Company has used an accounting software for maintaining its payroll records, which is managed and maintained by a third-party software service provider as explained in note 53 to the financial statements. However, in absence of sufficient and appropriate audit evidence including adequate coverage in SOC report we are unable to comment whether the accounting software has a feature of recording audit trail (edit log) facility and whether the same has operated throughout the period for all relevant transactions recorded in the software or whether there is any instance of audit trail feature being tampered with. Additionally, we are unable to comment whether the audit trail of prior year has been preserved by the Company as per the statutory requirements for record retention

3. In our opinion, according to information, explanations given to us, the remuneration paid by the Company to its directors is within the limits laid prescribed under Section 197 read with Schedule V of the Act and the rules thereunder.

Annexure A to the Independent Auditor's Report of even date on the Standalone Financial Statements of Sanghvi Movers Limited

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the year ended March 31, 2025 and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B to Independent Auditors' Report of even date on the Standalone Financial Statements of Sanghvi Movers Limited for the year ended March 31, 2025

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report]

- A The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment, investment property and relevant details of right-of-use assets.
 - B The Company has maintained proper records showing full particulars of intangible assets.
 - All the Property, Plant and Equipment, Investment property and right of use assets have not been physically verified by the management during the year but there is a regular programme of verification, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the standalone financial statements, are held in the name of the Company.
 - According to the information and explanations given to us, the Company has not revalued its property,

plant and Equipment (including Right of Use assets) and intangible assets during the year. Accordingly, the provisions stated under clause 3(i)(d) of the Order are not applicable to the Company.

- According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated under clause 3(i)(e) of the Order are not applicable to the Company.
 - The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification, coverage and procedure of such verification is reasonable and appropriate, having regard to the size of the Company and the nature of its operations. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
 - During any point of time of the year, the Company has been sanctioned working capital limits in excess of INR 5 Crores in aggregate from Banks on the basis of security of current assets. Refer note 42 to the standalone financial statements.

Based on the records examined by us in the normal course of audit of the standalone financial statements, quarterly returns / statements filed with such Banks are not in agreement with the books of accounts of the Company. Details of the same are as below.

Quarter ended	Particulars of Securities Provided	Amount as per books of account	Amount as reported in the quarterly return/ statement	Amount of difference	Reason for material discrepancies
June 30, 2024	Inventories	542.77	265.77	277.00	The differences are primarily due to provisions for slow-moving inventory and doubtful debts, exclusion of refurbished stock, and variation in unbilled revenue reported to the bank.
	Trade Receivables	18,995.47	18,491.13	504.34	
September 30, 2024	Inventories	458.48	192.43	266.05	
	Trade Receivables	21,682.20	20,069.09	1,613.11	
December 31, 2024	Inventories	592.05	356.74	235.31	
	Trade Receivables	19,765.15	17,489.15	2,276.00

	Trade Receivables	22,125.16	20,746.05	1,379.11	

Further, during any point of time of the year, the Company has not been sanctioned working capital limits from financial institutions, on the basis of security of current assets.

- According to the information and explanations provided to us, the Company has provided loans and stood guarantees to subsidiaries as follows:

	Loans
Aggregate amount granted/provided during the year (net)	
- Subsidiaries	2,535.49
Balance Outstanding as at balance sheet date in respect of above cases	
- Subsidiaries	2,535.49

Annexure B to Independent Auditors' Report of even date on the Standalone Financial Statements of Sanghvi Movers Limited for the year ended March 31, 2025 (Contd.)

During the year the Company has not stood guarantee and security to any other entity.

- iii. (b) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that terms and conditions in relation to grant of all loans and advances in the nature of loans, investments made are not prejudicial to the interest of the Company.

- iii. (c) In case of the loans and advances in the nature of loan, schedule of repayment of principal and payment of interest have been stipulated and the borrowers have been regular in the repayment of the principal and payment of interest.

- iii. (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no amounts overdue for more than ninety days in respect of the loans and/ or advances in the nature of loans, granted to companies.

- iii. (e) According to the information and explanations provided to us, the loans or advances in the nature of loan granted has not fallen due during the year. Accordingly, the provisions stated under clause 3(iii)(e) of the Order are not applicable to the Company.

- iii. (f) According to the information and explanations provided to us, the Company has not any granted loans and / or advances in the nature of loans, including to promoters or related parties as defined in clause (76) of section 2 of the Act, either repayable on demand or without specifying any terms or period of repayment during the year. Accordingly, the requirement to report under clause 3(iii)(f) of the Order is not applicable to the Company.

- vii. (b) According to the information and explanations given to us and the records examined by us, details of statutory dues referred to in sub clause (a) above which have not been deposited as on March 31, 2025 on account of any dispute, are as follows:

Annexure C to the Independent Auditor's Report of even date on the Standalone Financial Statements of Sanghvi Movers Limited

[Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Sanghvi Movers Limited on the Standalone Financial Statements for the year ended March 31, 2025]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Sanghvi Movers Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2025, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI').

Management's and Board of Director's Responsibility for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance

Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls With reference to Standalone Financial Statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls With reference to Standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes forming part of the financial statements (contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

1. Reporting entity

Sanghvi Movers Limited ("SML" or "the Company") is a public company domiciled in India and was incorporated in 1989. SML is engaged in the business of providing hydraulic and crawler cranes to various industries in the infrastructure sector and has a fleet of medium-to large-size hydraulic truck mounted telescopic and lattice boom cranes and crawler cranes with lifting capacity ranging from 20 tons to 1600 tons. The Company has its registered office at S. No. 92 Tathawade, Taluka Mulshi, Pune, Maharashtra, India, 411033. The equity shares of the Company are listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE).

The Board of Directors approved the standalone financial statements for the year ended March 31, 2025 and authorized for issue on May 20, 2025.

2. (a) Basis of preparation of Standalone Financial Statements

(i) Statement of compliance and basis of Preparation

The standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied to all the years presented except where a newly issued Accounting Standard is initially adopted or a revision to an existing Accounting Standard requires a change in the accounting policy hitherto in use.

Details of the Company's material accounting policies are included in Note 2(c).

(ii) Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakh to two decimal points, unless otherwise indicated.

(iii) Basis of measurement

The standalone financial statements have been prepared on a historical cost convention on accrual basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit liability	Present value of defined benefit obligation less fair value of plan assets

(iv) Going Concern Assumption

These standalone financial statements have been prepared on a going concern basis. The management has, assessed the cash flow projections and available liquidity for a period of at least twelve months from the date of these standalone financial statements. Based on this evaluation, Management believes that the Company will be able to continue as a 'going concern' in the foreseeable future and for a period of at least twelve months from the date of these standalone financial statements based on the following:

- Expected future operating cash flows based on business projections, and
- Available credit facilities with its bankers.

Based on the above factors, Management has concluded that the "going concern" assumption is appropriate. Accordingly, the standalone financial statements do not include any adjustments regarding the recoverability and classification of the carrying amount of assets and classification of liabilities that might result, should the Company be unable to continue as a going concern.

(v) Critical accounting judgements and key sources of estimation uncertainty

In preparing these standalone financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, and expenses. Actual results may differ from these estimates.

Notes forming part of the Financial Statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the standalone financial statements are included in the following notes:

Critical Accounting Estimates

- Note 33 – The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The policy for the same has been explained under Note 2(c).
- Note 51 – The Company has open litigations with tax authorities in respect of direct and indirect taxes. The outcome of these matters may have a material effect on the financial position, results of operations or cash flows. Management regularly analyses current information about these matters and makes provisions for probable contingent losses expected to be incurred to resolve these matters. In making the decision regarding the need for loss provisions, management considers the degree of probability of an unfavourable outcome and the ability to make a sufficiently reliable estimate of the amount of loss. The filing of a suit or formal assertion of a claim against the Company or the disclosure of any such suit or assertions, does not automatically indicate that a provision of a loss may be appropriate; and
- Note 3.1 - Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically,

including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life. The policy for the same has been explained under Note 2(c).

- Note 10 - The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period. The policy for the same has been explained under Note 2(c).

Critical Accounting Judgement

- Note 41 - Significant judgments are used in:

Determining the revenue to be recognised in case of performance obligation satisfied over a period of time; revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation.

Determining the expected losses, which are recognised in the period in which such losses become probable based on the expected total contract cost as at the reporting date.

2. (b) New standards and amendments issued but not effective

There are no such standards which are notified but not yet effective.

2. (c) Material accounting policies

(i) Foreign currency

Foreign currency transactions and translation

Transactions in foreign currencies are translated into the functional currency of the Company at the exchange rates on the date of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the

Notes forming part of the financial statements (contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

transaction. Exchange differences are recognized in profit or loss.

Foreign exchange gains and losses that relate to borrowings and all other foreign exchange gains and losses are presented in the statement of Profit and loss on net basis.

(ii) Financial Instruments**(a) Non derivative financial instruments consist of:**

- financial assets, which include cash and cash equivalents, trade receivables, unbilled receivables, employee and other advances, investments in equity and eligible current and noncurrent assets; and
- financial liabilities, which include borrowings, trade payables and eligible current and noncurrent liabilities.

Non-derivative financial instruments are recognised initially at fair value. Subsequent to initial recognition, non-derivative financial instruments are measured as described below:

Cash and cash equivalents.

The Company's cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal. For the purposes of the statement of cash flows, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the balance sheet, bank overdrafts are presented under borrowings within current financial liabilities.

Investments

Financial instruments measured at fair value through profit or loss ("FVTPL"):

Instruments that do not meet the amortised cost or FVTOCI criteria are measured at FVTPL. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in the statement of profit and loss. The gain or loss on disposal is recognised in the statement of profit and loss. Interest income is recognised in the statement of profit and loss for

FVTPL debt instruments. Dividends on financial assets at FVTPL is recognised when the Company's right to receive dividends is established.

Investments in subsidiaries:

Investment in equity instruments of subsidiaries are measured at cost less impairment.

Other financial assets

Other financial assets are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. These comprise trade receivables, unbilled receivables, employee and other advances and eligible current and noncurrent assets. They are presented as current assets, except for those expected to be realised later than twelve months after the reporting date which are presented as non-current assets. All financial assets are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any impairment losses. However, trade receivables and unbilled receivables that do not contain a significant financing component are measured at the Transaction Price.

Trade payables and other liabilities

Trade payables are initially recognised at transaction price, and subsequently carried at transaction price.

Other liabilities are initially recognised at transaction price, and subsequently carried at amortised cost using the effective interest method. For these financial instruments, the carrying amounts approximate fair value due to the short-term maturity of these instruments.

(b) Derecognition of financial instruments

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. If the Company retains substantially all the risks and rewards of a transferred financial asset, the Company continues to recognise the financial asset and recognises a borrowing for the proceeds received. A financial liability (or a part of a financial liability) is derecognised from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Notes forming part of the Financial Statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

(c) Offsetting

Financial assets and financial liabilities are offset, and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

(iii) Property, plant and equipment**i. Recognition and measurement**

Items of property, plant and equipment are measured at cost (cash price equivalent), which includes capitalized borrowing costs, less accumulated depreciation, and accumulated impairment losses, if any. If payment is deferred beyond normal credit terms, the difference between the cash price equivalent and the total payment is recognized as interest over the period of credit.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

Capital work in progress is stated at cost and includes the cost of the assets that are not ready for their intended use at the Balance Sheet date.

PPE is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition is recognised in the Statement of Profit and Loss in the same period.

ii. Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line

method and is generally recognized in the statement of profit and loss. Freehold land is not depreciated.

Depreciation on property, plant and equipment is provided over the useful life of assets as assessed by the management are in line with useful lives prescribed in Schedule II to the Companies Act 2013, as follows –

Particulars	Useful lives (years)
Buildings	30
Cranes	15, 20
Other Plant and equipment's	8-15
Furniture and fixtures	10
Office equipment	3 – 8

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which the asset is ready for use (disposed of).

(iv) Intangible assets

Intangible assets acquired separately are measured at cost of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any. The amortization of an intangible asset with a finite useful life reflects the manner in which the economic benefit is expected to be generated. The estimated useful life of amortizable intangibles is reviewed and where appropriate is adjusted, annually.

The estimated useful lives of the amortizable intangible assets are considered as 10 years.

(v) Discontinued Operations and Asset classified as held for sale.

The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use.

Non-current assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities classified as held for sale are presented separately in the balance sheet.

Property, plant, and equipment once classified as held for sale are not depreciated or amortized.

Notes forming part of the financial statements (contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

Discontinued operation is a component of the Company that has been disposed of or classified as held for sale and represents a major line of business. The results of discontinued operation are presented separately in the Statement of Profit and Loss for all the periods presented.

(vi) Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties will be stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The Company depreciates building component of investment property over 30 years from the date of original purchase.

Though the Company measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an evaluation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

(vii) Impairment

i. Impairment of Financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, trade receivables, unbilled receivables, contract assets, and other financial assets. Expected credit loss is the difference between the contractual cash flows and the cash flows that the entity expects to receive discounted using the effective interest rate.

Loss allowances for trade receivables, unbilled receivables, contract assets are measured at an amount equal to lifetime expected credit loss. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument. Lifetime expected credit loss is computed based on a provision matrix which takes in to account risk profiling of customers and historical credit loss experience adjusted for forward looking information.

ii. Impairment of non-financial assets

The Company's non-financial assets such as property, plant and equipment, inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the statement of profit and loss.

In respect of assets for which impairment loss has been recognized in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

(viii) Employee benefits

i. Short term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid e.g. under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service

Notes forming part of the Financial Statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

provided by the employee, and the amount of obligation can be estimated reliably.

ii. Post-employment benefits (defined benefit plans)

The Company provides for retirement benefits in the form of Gratuity. A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling').

In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognized in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset),

taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognized in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognized immediately in profit or loss. The Company recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

iii. Defined contribution plans

The Company makes defined contribution to Government Employee Provident Fund, and Superannuation Scheme, which are recognized in the Statement of Profit and Loss on accrual basis.

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Notes forming part of the financial statements (contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

(ix) Revenue Recognition

The Company derives revenue primarily from crane hiring services and other ancillary services associated with crane hiring. The Company is also involved in providing turnkey solutions of equipment erection (“EPC”).

Revenue is measured based on the considerations specified in a contract with a customer. The company recognizes revenue when it transfers control over service to a customer.

The following table provides information about the nature and timing of the satisfaction of performance obligations in contracts with customers, including significant payment terms, and the related revenue recognition policies.

Type of Services	Nature of Performance Obligations	Revenue recognition policies	Point of Revenue recognition and significant payment terms
Crane hiring other ancillary services	Crane rental including mobilisation and demobilisation	The Company recognises revenue from crane hiring and other ancillary services associated with the transaction over time because the customer simultaneously receives and consumes the benefits provided to them. The Company recognises revenue on the basis of log sheets approved by customer on monthly basis.	The revenue is recognized over the period when performance obligations are satisfied. Invoices are billed on monthly basis and are usually payable within 60 to 120 days.
Wind EPC and Project EPC	Services include infrastructure, procurement, installation and commissioning	EPC contract revenue is recognized over time to the extent of performance obligation satisfied and control is transferred to the customer at allocable transaction price using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to-date, to the total estimated contract costs.	

Unbilled receivables are classified as a financial asset where the right to consideration is unconditional and only the passage of time is required before the payment is due.

(x) Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income

i. Current income tax

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act,1961 and using estimates and judgments based on the expected outcome of assessments/ appeals and the relevant rulings in the areas of allowances and disallowances.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences between the

carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax liabilities are generally recognized for all taxable temporary differences except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets - unrecognized or recognized, are reviewed at each reporting date and are recognized/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realized.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Notes forming part of the Financial Statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority.

(xi) Provisions and Contingent Liabilities

The Company estimates the provisions that have present obligations as a result of past events, and it is probable that an outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting date and are adjusted to reflect the current best estimates.

The Company uses significant judgement to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognized nor disclosed in the standalone financial statements.

(xii) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Board

of directors monitors the operating results of all segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit and loss in the Summary Statements.

The operating segments have been identified on the basis of the nature of services. Further:

- Segment revenue includes sales and other income directly identifiable with / allocable to the segment. Expenses that are directly identifiable with / allocable to segments are considered for determining the segment result.
- Expenses which relate to the Company as a whole and not allocable to segments are included under unallocable expenditure.
- Income which relates to the Company as a whole and not allocable to segments is included in unallocable income.
- Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable assets and liabilities represent the assets and liabilities that relate to the Company as a whole and not allocable to any segment.

Nature and purpose of reserves**A) Securities premium**

Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013.

B) General reserve

Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the group for that year, then the total dividend distribution is less than the total distributable results for that year. Consequent to introduction of Companies Act 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of Companies Act, 2013.

C) Capital Reserve

As per the provisions of the erstwhile Companies Act 1956, the Company created Capital reserve on forfeiture of share call money in previous financial years. The amount can be utilised only in accordance with the specific requirements of Companies Act, 2013.

D) Surplus in the Statement of Profit and Loss

Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to investors.

39. Fair value hierarchy

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Fair value measurement hierarchy of assets

Particulars	As at March 31, 2025	As at March 31, 2024
(a) Financial Assets measured at fair value		
Level 1 (Quoted price in active markets)		
Current Investments (Fair Value through Profit and Loss "FVTPL")	14,960.17	7,057.11
(b) Assets for which fair values are disclosed:		
Level 3		
Investment property	236.12	237.09
There have been no transfers between Level 1 and Level 2 during the year		

(c) Fair Value of financial assets and liabilities measured at amortised cost

The fair value of cash and cash equivalents, trade receivables, Unbilled receivables, loans, other current financial assets, trade payables, short-term borrowings and other financial liabilities approximate the carrying amounts because of the short term nature of these financial instruments.

The amortized cost using effective interest rate (EIR) of non-current financial assets consisting of investments in equity instruments, security and term deposits and of non current financial liabilities consisting of borrowings received are not significantly different from the carrying amount.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

40. Financial risk management objectives and policies

The Company's principal financial liabilities comprise Borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's principal financial assets include investments, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

(A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

Notes forming part of the financial statements (contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Interest rate sensitivity	As at March 31, 2025	As at March 31, 2024
Increase by 100 basis point	(231.59)	(160.58)
Decrease by 100 basis point	231.59	160.58

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's financing activities (when borrowings are denominated in a different currency from the Company's functional currency).

**Does not include foreign currency borrowings amounting to USD 35,00,000 (INR equivalent - INR 3,130.40 Lakhs) for which the Company has entered into forward contract.

(B) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises principally from the Company's trade receivables, receivables from deposits and also arises from cash held with banks and financial institutions. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company limits its exposure to credit risk of cash held with banks by dealing with highly rated banks and institutions and retaining sufficient balances in bank accounts required to meet a month's operational costs. The Management reviews the bank accounts on regular basis and fund drawdowns are planned to ensure that there is minimal surplus cash in bank accounts. The maximum exposure to the credit risk as at the reporting period is primarily from trade receivables amounting to INR 17,559.93 Lakhs and INR 12,693.97 Lakhs as at March 31, 2025 and March 31, 2024 respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109 - Financial Instruments ("Ind AS 109"), the Company uses expected credit loss (ECL) model to assess the impairment loss. The Company computes the expected credit loss allowance for trade receivables based on available external and internal credit risk factors such as the ageing of its dues, market information about the customer, industry information and the Company's historical experience for customers with forward looking experience.

Note 1 Debt Equity Ratio has been increased on account of increase in Debt during the year.

Note 2 Debt Service Coverage Ratio has significantly reduced in FY 2024-25 primarily on account of decrease in net profit as compared to last year, increase in debt and higher finance cost in the current year.

Note 3 Decrease in Net Capital Turnover Ratio is mainly on account of significant increase in working capital.

49. Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholder value and to ensure the Company's ability to continue as a going concern.

The Company has distributed dividend to its shareholders during this Financial Year. The Company monitors gearing ratio i.e. total debt in proportion to its overall financing structure, i.e. equity and debt. Total debt comprises of borrowings from various banks / financial institutions. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Particulars	As at March 31, 2025	As at March 31, 2024
Equity	1,11,786.52	1,01,214.51
Total equity (i)	1,11,786.52	1,01,214.51
Borrowings	43,801.99	29,211.74
Less: cash and cash equivalents	(91.51)	(3,217.42)
Total debt (ii)	43,710.48	25,994.32
Overall financing (iii) = (i) + (ii)	1,55,497.00	1,27,208.83
Gearing ratio (ii)/ (iii)	28.11%	20.43%

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2025 and March 31, 2024.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

51. Contingent liabilities and contingent assets

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation cannot be made.

Notes forming part of the Financial Statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

- (i) Claims against the Company not acknowledged as debts comprises of claims raised on Company by it's customers or vendors for breach of contracts, and by certain government authorities on account of road taxes, raod accident by SML's Trailer and charges for conversion fees for land aggregating to INR 209.18 Lakhs (March 31, 2024 - INR 208.44 Lakhs). The Company has been advised by its legal counsel that it is possible, but not probable, that action will succeed in respect of claims against the Company. These claims are being contested in the courts by the Company. The Management does not expect these claims to succeed. Accordingly, no provision for the contingent liability has been recognised in the financial statements.
- (ii) The Company has received favourable order in respect of Order of Assessment for FY 2008-09 towards VAT and CST liability regarding transfer of right to use the goods. Accordingly the Demand Notice issued by Asst. Commissioner of Sales Tax (PUN-INV-D-007) Pune in respect of Order of Assessment of Tax under Central Sales Tax, 1956 for Financial Year 2008-09 towards VAT liability under CST Act and VAT liability under MVAT Act, 2002 aggregating to INR 120.26 Crores regarding "transfer of right to use the goods" stands rejected.

Based on favourable judgments for F.Y. 2008-2009, the management believes that rendering Crane Services on rental basis does not involve "transfer of right to use goods" so as to fall under the purview of VAT or Sales tax. As the Company never passes effective control and possession of its cranes to its customers, the question of levying VAT or CST does not arise. Accordingly company believes that order of Assessment for FY 2007-08, FY 2009-10, FY 2010-11, FY 2012-13, FY 2013-14, FY 2014-15, FY 2015-16, FY 2016-17 and FY 2017-18 towards VAT and CST liability regarding transfer of right to use the goods would be decided in favor of company.

Also the management relied on the recent judgement issued by Supreme Court on 9th January, 2024 related to applicability of Sales Tax / VAT on renting out Trailers / cranes. Wherein the apex court recorded in its Order that a sale transaction can be subject to either service or sales tax, and the sale transaction cannot be subjected to both taxing statutes. Accordingly, supreme court allow the appeals by holding that the contracts are not covered by the relevant provisions of the Sales Tax Act and of the VAT Act, as the contracts do not provide for the transfer of the right to use the goods.

- (iii) Income tax matters comprise demand from the tax authorities for the payment of additional tax of INR 20.71 Lakhs (March 31, 2024: INR 18.27 Lakhs) upon completion of their tax reviews for the various financial years. The tax demands are mainly on account of TDS liability under the Income Tax Act and disallowances of certain expenses. The matter is pending before the Assessing Officer of Income Tax.
- (iv) The Company has received notice of demand in respect of FY 2017-18 to FY 2021-22 towards GST liabilities regarding disallowance of input tax credits, unreconciled turnover, iffERENCE in tax payment in reconciliation. The matters are pending before various forums.

The Company is contesting the above demands of Sales tax, VAT, Income tax and Goods and Services Tax and the management, including its tax advisors, believe that its position will likely be upheld in the appellate process. No tax expense has been accrued in the financial statements for the tax demand raised. The management believes that the ultimate outcome of this proceeding will not have a material adverse effect on the Company's financial position and results of operations.

Contingent assets are neither recorded nor disclosed in the financial statements.

52. Corporate Social Responsibility

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The areas for CSR activities are as described below. A CSR committee has been formed by the company as per the Act. The funds are utilized through the year on these activities which are specified in Schedule VII of the Companies Act, 2013.

Independent Auditor’s Report

To the Members of Sanghvi Movers Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Sanghvi Movers Limited (hereinafter referred to as the “Holding Company”) and its subsidiaries (Holding Company, and its subsidiaries together referred to as “the Group”), which comprise the Consolidated Balance Sheet as at March 31, 2025, and the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the “consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, and based on consideration of reports of other auditors on separate financial statements of subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended March 31, 2025. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Sr. No	Key Audit Matters	How the Key Audit Matters was addressed in our audit
1	Provision for expected credit loss for accounts receivable: Refer Note 10 of consolidated financial statement with respect to the disclosures of Trade Receivables. On March 31, 2025, Trade receivable balances aggregate to INR 24,552.97 Lakhs against which provision aggregating INR 1,086.82 Lakhs has been created towards credit risk and expected credit loss in the books of account. The Group determines the allowance for credit losses based on analysis of past data and determine the default rate. Further, calculation of credit loss provision is a complex area and requires management to make significant assumptions on customer payment behaviour and estimating the level and timing of expected future cash flows and interest rate to be used for time loss. We identified allowance for credit losses as a key audit matter because significant management judgement and assumptions are involved in calculating the expected credit losses. This required an increased extent of effort when performing the audit procedures to evaluate the reasonableness of management’s estimate of the expected credit losses including significant discussion with management on slow recoveries.	Our audit procedures performed in respect of this area include but are not limited to: - Obtained an understating of the Group’s policy on assessment of impairment of trade receivables, including design and implementation of controls over development of the methodology for the computation of provision for credit losses including completeness and accuracy of information used in such estimation and computation and validation of management review controls. - Verified the operating effectiveness of these controls on a test check basis. - Obtained independent balance confirmations from the Company’s customers on a test check basis and performed alternative procedures wherever applicable. - Verified subsequent receipts after the year-end on a test check basis. - Verified ageing of trade receivables for sample of customer transactions. - Evaluated management comments and recovery plans for trade receivables outstanding for more than 180 days.

under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended (“Ind AS”) and other accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2025, and of consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by Institute of Chartered Accountant of India (“ICAI”), and the relevant provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained and on consideration of audit reports of other auditor referred to in paragraph (a) of the “Other Matters” section below, is sufficient and appropriate to provide a basis for our opinion.

Sr. No	Key Audit Matters	How the Key Audit Matters was addressed in our audit
7.	Assessed the trade receivables impairment methodology applied in the current year and compared the Group’s provisioning rates against historical collection data.	
8.	Verified the completeness and accuracy of the disclosures in accordance with the requirements of the relevant Ind AS, which are included in note 10 of the consolidated financial statements.	
2	Revenue from contract with customers: Refer Note 25 of consolidated financial statement with respect to the revenue recognized for the year ended March 31, 2025. The Group recognized revenue of INR 26,673.28 Lakhs from Engineering, Procurement and Construction (EPC) contracts over time, using the percentage-of-completion method. This approach requires significant management judgment in estimating total contract revenue and costs, determining the stage of completion, assessing contract modifications and variable consideration, and evaluating the recoverability of costs. Given the complexity of these contracts and the level of estimation involved, revenue recognition for EPC contracts was considered a key audit matter.	Our audit procedures performed in respect of this area include but are not limited to: - Evaluating the appropriateness of the Group’s revenue recognition policies in line with the applicable financial reporting framework (Ind AS 115 – Revenue from Contracts with Customers). - Testing the design and implementation, and operating effectiveness of key internal controls over revenue recognition, contract cost estimation, and project monitoring. - Selecting a sample of significant EPC contracts and performing the following: - - Reading key contract terms and conditions to assess the performance obligations and pricing, including any variable consideration or contract modifications. - Assessing the reasonableness of management’s estimates of total contract revenue and costs through comparison with budgets. - Comparing project status and stage of completion to internal reports and customer confirmations. - Evaluating the reasonableness of costs incurred to date and the estimated costs to complete, including inquiries with project management and engineering teams. - Performing analytical procedures on margins across projects. - Evaluating the adequacy of the related disclosures in the consolidated financial statements regarding the judgments involved in revenue recognition.

Information Other than the Consolidated Financial Statements and Auditor’s Report Thereon

The Holding Company’s Board of Directors is responsible for the other information. The other information comprises the Director’s report but does not include the consolidated financial statements and our auditor’s report thereon, which we obtained prior to the date of this auditor’s report, and the Management report, Chairman’s statement, Business Responsibility and Sustainability Reporting other information included in Annual report, which is expected to be made available to us after that date.

Our opinion on the consolidated financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we

Independent Auditor's Report (Contd.)

obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Management report, Chairman's statement, Business Responsibility and Sustainability Reporting other information included in Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each company.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Consolidated Financial Statements.

Other Matters:

- We did not audit the financial statements of one subsidiary whose financial statements reflect total assets of INR 472.74 Lakhs as at March 31, 2025, total revenues of INR Nil and net cash flows amounting to INR 0.74 Lakhs for the year ended on that date, as considered in the consolidated financial statements. This financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditors.
- We did not audit the financial information of one subsidiary, whose financial information reflect total assets of INR Nil as at March 31, 2025, total revenues of INR Nil and net cash flows amounting to INR Nil for the year ended on that date, as considered in the consolidated financial statements. This financial information is unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary, is based solely on such unaudited financial information. In our

opinion and according to the information and explanations given to us by the Management, this financial information is not material to the Group.

Our opinion on the consolidated financial statements is not modified in respect of the above matters.

Report on Other Legal and Regulatory Requirements

- As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the consolidated financial statements of the subsidiaries referred to in the Other Matters section above we report, to the extent applicable, that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors except for the matters stated in the paragraph 2(g)(vi) below on reporting under rule 11(g).
 - The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - On the basis of the written representations received from the directors of the Holding Company as on March 31, 2025 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies, are disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164 (2) of the Act.

- With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Group, and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 49 to the consolidated financial statements.
 - The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies.
 - The respective Managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entities with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that such parties shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Independent Auditor's Report (Contd.)

2. The respective Managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries that, to the best of their knowledge and belief, no funds have been received by the Holding Company or any of such subsidiaries from any person or entities, including foreign entities with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Holding Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

3. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, and according to the information and explanations provided to us by the Management of the Holding company in this regard nothing has come to our or other auditors' notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (1) and (2) above, contain any material mis-statement.

v. On the basis of our verification and on consideration of the reports of the statutory auditors of subsidiaries that are Indian companies under the Act, we report that:

i) the final dividend paid by the Holding Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.

ii) The Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of their respective members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to

declaration of dividend. (Refer Note 16 to the consolidated financial statements).

vi. Based on our examination which included test checks, and based on the other auditor's reports of its subsidiary companies incorporated in India whose financial statements have been audited under the Act, except for the instances mentioned below, the holding Company and its subsidiary Companies incorporated in India have used accounting softwares for maintaining their respective books of account for the year ended March 31, 2025, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, and further, during the course of audit we and auditors of above referred subsidiaries did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail of prior years has been preserved by the Holding Company and above referred subsidiaries as per the statutory requirements for record retention as applicable.

A) In respect of the Parent Company and 2 subsidiaries incorporated in India, the accounting software used by these entities for maintaining its books of account for the year ended March 31, 2025 had a feature of recording audit trail (edit log) facility, which was enabled, and the audit trail facility has been operated throughout the year for all relevant transactions recorded in the accounting software, except in absence of sufficient and appropriate audit evidence including adequate coverage in SOC report we are unable to comment on audit trail at database level.

B) In respect of 1 subsidiary incorporated in India, the accounting software used by the entity for maintaining its books of account for the period ended March 31, 2025 did not have a feature of recording audit trail (edit log) facility.

C) In respect of 2 subsidiaries incorporated in India, the erstwhile accounting software used by these subsidiaries from date of incorporation till September 30, 2024 did not have a feature of recording audit trail (edit log) facility.

D) In respect of the Parent Company and 2 subsidiaries incorporated in India, the Companies has used an accounting software for maintaining its payroll records which is managed and maintained by a third-party software service provider. In absence of sufficient and appropriate audit evidence including adequate coverage in SOC report we are unable to comment whether the accounting software has a feature of recording audit trail (edit log) facility.

E) In respect of 3 subsidiaries incorporated in India, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the period ended March 31, 2025.

2. In our opinion, according to information, explanations given to us, the remuneration paid by the Group to its directors is within the limits laid prescribed under Section 197 read with Schedule V of the Act and the rules thereunder.

3. According to the information and explanations given to us, the details of Qualifications/adverse remarks made by the respective auditors of the subsidiaries in the Companies (Auditor's Report) Order 2020 (CARO) Reports issued till the date of our audit report for the companies included in the consolidated financial statements are as follows:

Annexure A to the Independent Auditor's Report of even date on the Consolidated Financial Statements of Sanghvi Movers Limited

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and Board of Directors.
- Conclude on the appropriateness of the management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be

thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended March 31, 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure B to Independent Auditors' Report of even date on the Consolidated Financial Statements of Sanghvi Movers Limited for the year ended March 31, 2025

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Sanghvi Movers Limited on the consolidated financial statements for the year ended March 31, 2025]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls reference to consolidated financial statements of Sanghvi Movers Limited (hereinafter referred to as "the Holding Company") which includes the internal financial controls over financial reporting of the Holding Company's and its subsidiary companies (the Holding Company and its subsidiaries together referred to as "the Group") as of that date.

In our opinion, and to the best of our information and according to the explanations given to us, the Group, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2025, based on the internal financial controls with reference to consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

Management's and Board of Director's Responsibility for Internal Financial Controls

The respective Management and the Board of Directors of the Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Group, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Group, which are companies incorporated in India.

Meaning of Internal Financial Controls With Reference to Consolidated Financial Statements

A Company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted

accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to three subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India. Our opinion is not modified in respect of this matter.

Notes forming part of the consolidated financial statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

1. Reporting entity

Sanghvi Movers Limited (“The Holding Company”)(CIN: L29150PN1989PLC054143) is a public company domiciled in India and was incorporated in 1989. The Holding Company has its registered office at S. No. 92 Tathawade, Taluka Mulshi, Pune, Maharashtra, India, 411033. The equity shares of the Holding Company are listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE).

These consolidated financial statements comprise the financial statements of the Holding Company and its subsidiaries (together referred to as the ‘Group’). The Group is primarily involved in the business of providing hydraulic and crawler cranes to various industries in the infrastructure sector, providing integrated EPC (Engineering, Procurement, and Construction) in India’s wind energy sector and logistics services.

The subsidiaries considered in these consolidated financial statements are:

Name of the Company	Country of Incorporation	% voting power held as at March 31, 2025
Sangreen Renewables Private Limited	India	100%
Sangreen Future Renewables Private Limited	India	100%
Sangreen Logistics Private Limited	India	100%
Samo Renewable Private Limited	India	100%
Sanghvi Movers Middle East Limited	Saudi Arabia	100%

The Board of Directors approved the Consolidated financial statements for the year ended March 31, 2025 and authorized for issue on May 20, 2025.

2 (a) Basis of preparation of Consolidated Financial Statements

(i) Statement of compliance and basis of Preparation

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the “Act”) read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Details of the Group’s material accounting policies are included in Note 2(c).

(ii) Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (INR), which is also the Group’s functional currency. All amounts have been rounded-off to the nearest lakh to two decimal points, unless otherwise indicated.

(iii) Basis of measurement

The consolidated financial statements have been prepared on a historical cost convention on accrual basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit liability	Present value of defined benefit obligation less fair value of plan assets

(iv) Going Concern Assumption

These Consolidated financial statements have been prepared on a going concern basis. The management has, assessed the cash flow projections and available liquidity for a period of at least twelve months from the date of these consolidated financial statements. Based this evaluation, Management believes that the Group will be able to continue as a ‘going concern’ in the foreseeable future and for a period of at least twelve months from the date of these consolidated financial statements based on the following:

- i) Expected future operating cash flows based on business projections, and
- ii) Available credit facilities with its bankers.

Based on the above factors, the group has concluded that the “going concern” assumption is appropriate. Accordingly, the consolidated financial statements do not include any adjustments regarding the recoverability and classification of the carrying amount of assets and classification of liabilities that might result, should the Group be unable to continue as a going concern.

(v) Basis of consolidation

The Consolidated financial statements comprise the financial statements of the Holding Company and its subsidiaries as at March 31, 2025.

Where the Group has control over an investee, it is classified as a subsidiary. The Group controls an investee if all three of the following elements are present:

- (i) power over the investee,
- (ii) exposure to variable returns from the investee, and
- (iii) the ability of the investor to use its power to affect those variable returns.

Control is reassessed whenever facts and circumstances indicate that there may be a change in any of these elements of control.

Notes forming part of the consolidated financial statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedure:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements.

(vi) Critical accounting judgements and key sources of estimation uncertainty

In preparing these consolidated financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the consolidated financial statements are included in the following notes:

Critical Accounting Estimates

- Note 33 – The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The policy for the same has been explained under Note 2(c).
- Note 49 – The Group has open litigations with tax authorities in respect of direct and indirect taxes. The outcome of these matters may have a material effect on the financial position, results of operations or cash flows. Management regularly analyses current information about these matters and makes provisions for probable contingent losses expected to be incurred to resolve these matters. In making the decision regarding the need for loss provisions, management considers the degree of probability of an unfavourable outcome and the ability to make a sufficiently reliable estimate of the amount of loss. The filing of a suit or formal assertion of a claim against the Group or the disclosure of any such suit or assertions, does not automatically indicate that a provision of a loss may be appropriate; and
- Note 3.1 - Property, plant and equipment represent a significant proportion of the asset base of the Group. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Group's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life. The policy for the same has been explained under Note 2(c).

Notes forming part of the consolidated financial statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

- Note 10 - The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Group uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the past history, customer's creditworthiness, existing market conditions as well as forward looking estimates at the end of each reporting period. The policy for the same has been explained under Note 2(c).

Critical Accounting Judgement

- Note 41 - Significant judgments are used in:

Determining the revenue to be recognised in case of performance obligation satisfied over a period of time; revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation.

Determining the expected losses, which are recognised in the period in which such losses become probable based on the expected total contract cost as at the reporting date.

2 (b) New standards and amendments issued but not effective

There are no such standards which are notified but not yet effective.

2 (c) Material accounting policies

(i) Foreign currency

Foreign currency transactions and translation

Transactions in foreign currencies are translated into the functional currency of the Group at the exchange rates on the date of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognized in profit or loss.

Foreign exchange gains and losses that relate to borrowings and all other foreign exchange gains and losses are presented in the statement of Profit and loss on net basis.

(ii) Financial Instruments

(a) Non derivative financial instruments consist of:

- financial assets, which include cash and cash equivalents, trade receivables, unbilled receivables, employee and other advances, investments in equity and eligible current and noncurrent assets; and
- financial liabilities, which include borrowings, trade payables and eligible current and noncurrent liabilities.

Non-derivative financial instruments are recognised initially at fair value. Subsequent to initial recognition, non-derivative financial instruments are measured as described below:

Cash and cash equivalents.

The Group's cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal. For the purposes of the statement of cash flows, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Group's cash management system. In the balance sheet, bank overdrafts are presented under borrowings within current financial liabilities.

Investments

Financial instruments measured at fair value through profit or loss ("FVTPL"):

Instruments that do not meet the amortised cost or FVTOCI criteria are measured at FVTPL. Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in the statement of profit and loss. The gain or loss on disposal is recognised in the statement of profit and loss. Interest income is recognised in the statement of profit and loss for FVTPL debt instruments. Dividends on financial assets at FVTPL is recognised when the Group's right to receive dividends is established.

Other financial assets

Other financial assets are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. These comprise trade receivables, unbilled receivables, employee and other advances and eligible current and

Notes forming part of the consolidated financial statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

noncurrent assets. They are presented as current assets, except for those expected to be realised later than twelve months after the reporting date which are presented as non-current assets. All financial assets are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any impairment losses. However, trade receivables and unbilled receivables that do not contain a significant financing component are measured at the Transaction Price.

Trade payables and other liabilities

Trade payables are initially recognised at transaction price, and subsequently carried at transaction price.

Other liabilities are initially recognised at transaction price, and subsequently carried at amortised cost using the effective interest method. For these financial instruments, the carrying amounts approximate fair value due to the short-term maturity of these instruments.

(b) Derecognition of financial instruments

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. If the Group retains substantially all the risks and rewards of a transferred financial asset, the Group continues to recognise the financial asset and recognises a borrowing for the proceeds received. A financial liability (or a part of a financial liability) is derecognised from the Group's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

(c) Offsetting

Financial assets and financial liabilities are offset, and the net amount presented in the Balance Sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

(iii) Property, plant and equipment**i. Recognition and measurement**

Items of property, plant and equipment are measured at cost (cash price equivalent), which includes capitalized borrowing costs, less

accumulated depreciation, and accumulated impairment losses, if any. If payment is deferred beyond normal credit terms, the difference between the cash price equivalent and the total payment is recognized as interest over the period of credit.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

Capital work in progress is stated at cost and includes the cost of the assets that are not ready for their intended use at the Balance Sheet date.

PPE is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition is recognised in the Statement of Profit and Loss in the same period.

ii. Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method and is generally recognized in the statement of profit and loss. Freehold land is not depreciated.

Depreciation on property, plant and equipment is provided over the useful life of assets as assessed by the management are in line with useful lives prescribed in Schedule II to the Companies Act 2013, as follows

Particulars	Useful lives (years)
Buildings	30
Cranes	15-20
Other Plant and equipment's	8-15
Furniture and fixtures	10
Office equipment	3-8

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

Notes forming part of the consolidated financial statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which the asset is ready for use (disposed of).

(iv) Intangible assets

Intangible assets acquired separately are measured at cost of acquisition. Following initial recognition, intangible assets are carried at cost less accumulated amortization and impairment losses, if any. The amortization of an intangible asset with a finite useful life reflects the manner in which the economic benefit is expected to be generated. The estimated useful life of amortizable intangibles is reviewed and where appropriate is adjusted, annually.

The estimated useful lives of the amortizable intangible assets are considered as 10 years.

(v) Asset classified as held for sale

The Group classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use.

Non-current assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities classified as held for sale are presented separately in the balance sheet.

Property, plant, and equipment once classified as held for sale are not depreciated or amortized.

(vi) Investment property

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties will be stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The Group depreciates building component of investment property over 30 years from the date of original purchase.

Though the Group measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an evaluation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

(vii) Impairment**i. Impairment of Financial assets**

The Group applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost,

trade receivables, unbilled receivables, contract assets, and other financial assets. Expected credit loss is the difference between the contractual cash flows and the cash flows that the entity expects to receive discounted using the effective interest rate.

Loss allowances for trade receivables, unbilled receivables, contract assets are measured at an amount equal to lifetime expected credit loss. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument. Lifetime expected credit loss is computed based on a provision matrix which takes into account risk profiling of customers and historical credit loss experience adjusted for forward looking information.

ii. Impairment of non-financial assets

The Group's non-financial assets such as property, plant and equipment, inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the statement of profit and loss.

In respect of assets for which impairment loss has been recognized in prior periods, the group reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a

Notes forming part of the consolidated financial statements (Contd.)

(Amounts in INR Lakhs, except share data and unless otherwise stated)

reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

(viii) Employee benefits

i. Short term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid e.g. under short-term cash bonus, if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Post-employment benefits (defined benefit plans)

The Group provides for retirement benefits in the form of Gratuity. A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Group, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling').

In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognized in OCI. The Group determines the net interest expense (income) on the net defined benefit liability

(asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognized in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognized immediately in profit or loss. The Group recognizes gains and losses on the settlement of a defined benefit plan when the settlement occurs.

iii. Defined contribution plans

The Group makes defined contribution to Government Employee Provident Fund, and Superannuation Scheme, which are recognized in the Statement of Profit and Loss on accrual basis.

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Group makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(ix) Revenue Recognition

The Group derives revenue primarily from crane hiring services and other ancillary services associated with crane hiring. The Group is also involved in providing turnkey solutions of equipment erection ("EPC") and logistics services.

Revenue is measured based on the considerations specified in a contract with a customer. The Group recognizes revenue when it transfers control over service to a customer.

Notes forming part of the consolidated financial statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

The following table provides information about the nature and timing of the satisfaction of performance obligations in contracts with customers, including significant payment terms, and the related revenue recognition policies.

Type of Services	Nature of Performance Obligations	Revenue recognition policies	Point of Revenue recognition and significant payment terms
Crane hiring other ancillary services	Crane rental including mobilisation and demobilisation	The Group recognises revenue from crane hiring and other ancillary services associated with the transaction over time because the customer simultaneously receives and consumes the benefits provided to them. The Group recognises revenue on the basis of log sheets approved by customer on monthly basis.	The revenue is recognized over the period when performance obligations are satisfied. Invoices are billed on monthly basis and are usually payable within 60 to 120 days.
Wind EPC and Project EPC	Services include infrastructure, procurement, installation and commissioning	EPC contract revenue is recognized over time to the extent of performance obligation satisfied and control is transferred to the customer at allocable transaction price using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to-date, to the total estimated contract costs.	

Unbilled receivables are classified as a financial asset where the right to consideration is unconditional and only the passage of time is required before the payment is due.

the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets - unrecognized or recognized, are reviewed at each reporting date and are recognized/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realized.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority.

(x) Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income

i. Current income tax

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and using estimates and judgments based on the expected outcome of assessments/appeals and the relevant rulings in the areas of allowances and disallowances.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred income tax is provided in full, using the balance sheet approach, on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax liabilities are generally recognized for all taxable temporary differences except where the Group is able to control the reversal of

(xi) Provisions and Contingent Liabilities

The Group estimates the provisions that have present obligations as a result of past events, and it is probable that an outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting date and are adjusted to reflect the current best estimates.

The Group uses significant judgement to disclose contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognized nor disclosed in the Consolidated financial statements.

(xii) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decisionmaker. The Board of directors monitors the operating results of all segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit and loss in the Summary Statements.

The operating segments have been identified on the basis of the nature of services. Further:

- i. Segment revenue includes sales and other income directly identifiable with / allocable to the segment including inter-segment revenue. Expenses that are directly identifiable with / allocable to segments are considered for determining the segment result.

- ii. Expenses which relate to the Group as a whole and not allocable to segments are included under unallocable expenditure.
- iii. Income which relates to the Group as a whole and not allocable to segments is included in unallocable income.
- iv. Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable assets and liabilities represent the assets and liabilities that relate to the Group as a whole and not allocable to any segment.

Nature and purpose of reserves**A) Securities premium**

Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013.

B) General reserve

Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Holding Company for that year, then the total dividend distribution is less than the total distributable results for that year. Consequent to introduction of Companies Act 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of Companies Act, 2013.

C) Capital Reserve

As per the provisions of the erstwhile Companies Act 1956, the Holding Company created Capital reserve on forfeiture of share call money in previous financial years. The amount can be utilised only in accordance with the specific requirements of Companies Act, 2013.

D) Surplus in the Statement of Profit and Loss

Retained earnings are the profits that the Group has earned till date, less any transfers to general reserve, dividends or other distributions paid to investors.

39. Fair value hierarchy

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Fair value measurement hierarchy of assets

Particulars	As at March 31, 2025
(a) Financial Assets measured at fair value	
Level 1 (Quoted price in active markets)	
Current Investments (Fair Value through Profit and Loss "FVTPL")	14,960.17
(b) Assets for which fair values are disclosed:	
Level 3	
Investment property	236.12

There have been no transfers between Level 1 and Level 2 during the year

Notes forming part of the consolidated financial statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

(c) Fair Value of financial assets and liabilities measured at amortised cost

The fair value of cash and cash equivalents, trade receivables, Unbilled receivables, loans, other current financial assets, trade payables, short-term borrowings and other financial liabilities approximate the carrying amounts because of the short term nature of these financial instruments.

The amortized cost using effective interest rate (EIR) of non-current financial assets consisting of investments in equity instruments, security and term deposits and of non current financial liabilities consisting of borrowings received are not significantly different from the carrying amount.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

40. Financial risk management objectives and policies

The Group's principal financial liabilities comprise Borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations and to support its operations. The Group's principal financial assets include investments, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Group is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Group's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Group does not engage in trading of financial assets for speculative purposes.

(A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Interest rate sensitivity	As at March 31, 2025
Increase by 100 basis point	(231.59)
Decrease by 100 basis point	231.59

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's financing activities (when borrowings are denominated in a different currency from the Company's functional currency).

(B) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises principally from the Group's trade receivables, receivables from deposits and also arises from cash held with banks and financial institutions. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Group assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Group limits its exposure to credit risk of cash held with banks by dealing with highly rated banks and institutions and retaining sufficient balances in bank accounts required to meet a month's operational costs. The Management reviews the bank accounts on regular basis and fund drawdowns are planned to ensure that there is minimal surplus cash in bank accounts.

The maximum exposure to the credit risk as at the reporting period is primarily from trade receivables amounting to INR 24,552.97 Lakhs as at March 31, 2025. Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk has always been managed by the Group through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Group grants credit terms in the normal course of business. On account of adoption of Ind AS 109 - Financial Instruments ("Ind AS 109"), the Group uses expected credit loss (ECL) model to assess the impairment loss. The Group computes the expected credit loss allowance for trade receivables based on available external and internal credit risk factors such as the ageing of its dues, market information about the customer, industry information and the Group's historical experience for customers with forward looking experience.

Set out below is the information about the credit risk exposure on the Company's trade receivables using a provision matrix:

Days past due	As at March 31, 2025

- (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
- (b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

47. Capital management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Group's capital management is to maximize the shareholder value and to ensure the Group's ability to continue as a going concern.

The Holding Company has distributed dividend to its shareholders during this Financial Year. The Group monitors gearing ratio i.e. total debt in proportion to its overall financing structure, i.e. equity and debt. Total debt comprises of borrowings from various banks / financial institutions. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

Particulars		As at March 31, 2025
Equity		114,252.70
Total equity	(i)	114,252.70
Borrowings		43,801.99
Less: cash and cash equivalents		(670.41)
Total debt	(ii)	43,131.58
Overall financing	(iii) = (i) + (ii)	157,384.28
Gearing ratio	(ii)/ (iii)	27.41%

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2025.

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

48. Commitments

Particulars	As at March 31, 2025
- Estimated amount of contracts remaining to be executed on capital account and not provided, net of advances	7,424.77
	7,424.77

49. Contingent liabilities and contingent assets

The Group creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation cannot be made

Particulars	As at March 31, 2025
Contingent Liabilities	
(a) Claims against the group not acknowledged as debts (Refer footnote (i) below)	209.18
(b) Sales tax matters (Refer footnote (ii) below)	-
(c) Income tax matters (Refer footnote (iii) below)	20.71
(d) Goods & Service Tax Matters (Refer footnote (iv) below)	96.80

- i. Claims against the group not acknowledged as debts comprises of claims raised on Holding Company by it's customers or vendors for breach of contracts, and by certain government authorities on account of road taxes, raod accident by Trailer and charges for conversion fees for land aggregating to INR 209.18 Lakhs. The Holding Company has been advised by its legal counsel that it is possible, but not probable, that action will succeed in respect of claims against the Holding Company. These claims are being contested in the courts by the Holding Company. The Management does not expect these claims to succeed. Accordingly, no provision for the contingent liability has been recognised in the consolidated financial statements.
- ii. The Holding Company has received favourable order in respect of Order of Assessment for FY 2008-09 towards VAT and CST liability regarding transfer of right to use the goods. Accordingly the Demand Notice issued by Asst. Commissioner of Sales Tax (PUN-INV-D-007) Pune in respect of Order of Assessment of Tax under Central Sales Tax, 1956 for Financial Year 2008-09 towards VAT liability under CST Act and VAT liability under MVAT Act, 2002 aggregating to ₹ 120.26 Crores regarding "transfer of right to use the goods" stands rejected.

Based on favourable judgments for F.Y. 2008-2009, the management believes that rendering Crane Services on rental basis does not involve "transfer of right to use goods" so as to fall under the purview of VAT or Sales tax. As the Company never passes effective control and possession of its cranes to its customers, the question of levying VAT or CST does not arise. Accordingly company believes that order of Assessment for FY 2007-08, FY 2009-10, FY 2010-11, FY 2012-13, FY 2013-14, FY 2014-15, FY 2015-16, FY 2016-17 and FY 2017-18 towards VAT and CST liability regarding transfer of right to use the goods would be decided in favor of company.

Also the management relied on the recent judgement issued by Supreme Court on 9th January, 2024 related to applicability of Sales Tax / VAT on renting out Trailers / cranes. Wherein the apex court recorded in its Order that a sale transaction can be subject to either service or sales tax, and the sale transaction cannot be subjected to both taxing statutes. Accordingly, supreme court allow the appeals by holding that the contracts are not covered by the relevant provisions of the Sales Tax Act and of the VAT Act, as the contracts do not provide for the transfer of the right to use the goods.

- iii. Income tax matters comprise demand from the tax authorities for the payment of additional tax of INR 20.71 Lakhs upon completion of their tax reviews for the various financial years. The tax demands are mainly on account of TDS liability under the Income Tax Act and disallowances of certain expenses. The matter is pending before the Assessing Officer of Income Tax.

Notes forming part of the consolidated financial statements (Contd.)

for the year ended March 31, 2025

(Amounts in INR Lakhs, except share data and unless otherwise stated)

- iv. The Holding Company has received notice of demand in respect of FY 2017-18 to FY 2021-22 towards GST liabilities regarding disallowance of input tax credits, unreconciled turnover, difference in tax payment in reconciliation. The matters are pending before various forums.

The Holding Company is contesting the above demands of Sales tax, VAT, Income tax and Goods and Services Tax and the management, including its tax advisors, believe that its position will likely be upheld in the appellate process. No tax expense has been accrued in the financial statements for the tax demand raised. The management believes that the ultimate outcome of this proceeding will not have a material adverse effect on the Holding Company's financial position and results of operations.

Contingent assets are neither recorded nor disclosed in the financial statements.

50. Corporate Social Responsibility
