The worship of the Sun is as old as civilization.

I bow to you, O Surya, the Son of Kashyapa Muni, the destroyer of darkness and all sins, whose luster is like that of red Jaswand Flower. The worship of the Sun is as old as civilization.

The Sun that awakens man from darkness, the Sun that is so brilliant that it cannot be seen by the naked eye evokes awe in the human mind. In the Rig-Veda, Surya has been described as the life (atma) of all creation. Surya is praised as the God of Gods (Rig-Veda 1.50.10). Homage is paid to Surya by chanting special names while offering him salutation-Surya Namaskara. These twelve names that we use to worship Surya serve to remind us of his glory and power and to be eternally grateful for his constant blessings in our life here on earth.

Since long has been its very existence,
Hence, far and wide has spreads its fragrance.**

Dear Prof. Dr. Sanjay Chordiya & Mrs. Sushama Chordiya

Please accept warm greetings and congratulations for the function organized on 7th Feb. 2013 for presentation of "Suryadatta National Lifetime Achievement Award" and "Suryadatta National Awards 2013".

Due to health problem, I am sorry I could not give full justice to the programme. I have also missed an opportunity to listen to the speeches of the eminent awardees.

Being part of your organization, I was hesitant to accept the award. However your love did not allow me to refuse the same. This programme also provided me an opportunity to meet several friends including Manindarjit Singh Bitta and others.

Love and affection of friends like you has always remained the strength in my life. I am sure that I will continue to receive the same in future.

I have my dream about Suryadatta Group of Institutes. Within few years, this Institute should be "Harvard" of India. Please try to fulfil my dream.

With warm regards and best wishes for Suryadatta Group of Institutes.

Yours sincerely,

TESTIMONIALS

A vision without direction is always blurred. Thus Suryadatta gave my blurred vision a direction.

Not only got my skills a professional touch with highly skilled professor's at Suryadatta but also got a kickstart to my career with plenty of on feild opportunities and Internships. I completed my PGDM in IB and Marketing which helped me to align my operational skills In logistics and grab MNCs with the marketing and sales exposure. And the best part of it is its not just a one time course but a life time enrollment to the books of wisdom at Suryadatta groups. Thanks to all faculties.

We wanted to discover India because we were curious about the history, culture and landscape. It was so different than our country, but it's so beautiful. Everyone at Suryadatta was so nice to us, and it was so easy to discuss experiences and topics with the co-students and faculty. The cafeteria was a good place to discuss things with everyone. Additionally, we were given excellent academic inputs and additional attention as foreign students on the language and learning.

Initially it was difficult to interact with students from different cultures. They didn't understand us and we couldn't understand them. But over time, with Suryadatta's help, we could deal with that.
