Whether one is drawn to the timeless allure of diamonds, the regal charm of polki, the radiant warmth of gold, or the intricate artistry of jadau, Shine by Amita Solanki ensures that there is something to suit every taste".

Polki, with its raw and uncut diamonds, takes center stage in these creations. These stones, left in their natural form, bring a unique character to each piece, symbolizing the beauty in imperfection. Paired with the richness of emeralds and the luminescence of pearls, Shine by Amita Solanki's jewellery captures the light of tradition and modernity.

One of the brand's defining features is its steadfast dedication to incorporating tradi-

tional Indian motifs into its designs. With meticulous craftsmanship, each ornament narrates a story of India's opulent past, woven into contemporary settings. Elaborate peacocks, intricate paisleys, and delicate florals grace the necklaces, earrings, and bangles, intertwining cultural heritage with everyday elegance. The nose rings and mang tika pay homage to age-old customs, breathing life into ancient rituals, while the bridal necklaces and chokers drape the wearer in the regal splendor of India's historical dynasties. Statement earrings, bold and enchanting, embrace the spirit of the modern woman who is rooted in her culture yet poised to conquer the world.
