

Pune educational group bags prestigious award

Professor Dr Sanjay B Chordiya, founder president and chairman of Suryadatta Education Foundation, and Sushama S Chordiya, vice-president and secretary of the foundation, along with faculty members from various Suryadatta institutes, Renuka Gospurkar, Pooja Vishvakarma and Abhishri Mor, recently received the Best Multidisciplinary Educational Institutes of Maharashtra in Offering Various Courses in Emerging Sectors Award from actress Shilpa Shetty Kundra at the Global Business Awards event held recently.

Prof Dr Chordiya, the founder president & chairman of Suryadatta Group of Institutes, Pune, was also invited as a keynote speaker on the topic, '360 degree perspective of education and health care sector considering the impact of NEP and global demands', at the conclave attended by over 400 delegates from India and abroad. Speaking on the occasion, Dr Chordiya threw light on the important aspects of the NEP higher education and its implementation. He also highlighted another criticality —abridging the industry-academia gap which has become indispensable than ever before. "Thus, we need to train the you-th not only for the current industry requirements but also con-
